Technology Requirements for Online Registration

Online registration should be completed on a desktop computer or laptop, not a mobile device.

To avoid internet issues, we suggest the following steps:

- **Use an updated version of Internet Explorer, Mozilla, Firefox, or Chrome**
- **Clear browsing history**
- **Turn OFF pop up blocker**

Parents who need language translation help can download an online language translator or contact their local school or Technology Support computer lab for assistance. A free online translator suggestion is Google Translate, which does not require a download but is an active translator.
