

# What We Do:

The mission of HOPE Collaborative is to promote the safety of children and prevent abuse and neglect in Riverside County.

Here at the HOPE collaborative we offer free educational workshops meant for **youth, parent/caregivers, and professionals.**

**Youth** will receive a basic understanding along with the importance of knowing what the topics are.

**Parents/Caregivers** receive an understanding of what the topic (s) are along with explanation of what it is important to know.

**Professionals** receive an in-depth definition of each topic and how they can help to prevent child abuse and neglect.

For more information about our Regional Collaborative Groups visit:
