Ocean Springs School District

Non-Resident Student Registration Request

When seeking to enroll an eligible student in a school outside the established attendance zone boundaries for that student, this form must be completed and submitted to the Assistant Superintendent of Organizational Support. Placement in Elementary Schools will be considered on a space available basis. Parents may list school of choice as noted on the request form. If the school of choice is unavailable due to limitations on school or program availability the student will be placed in another appropriate elementary school within the Ocean Springs School District.
