

Dear Hawthorne Families,

Please help us earn money when you shop at **Ralphs**. When you link your Ralphs card to Hawthorne School, we earn up to 4% back of your grocery purchase. You will still continue to earn Ralphs rewards and gas discounts.

How do you sign up? Register your card online at www.ralphs.com or by calling Ralphs Community Program at **800-443-4438** (Monday-Friday from 8am to 4pm). Our school ID is 80908.

Are you already registered? Please **RE-register** on or after September 1, 2016 even if you registered as recently as June, July or August 2016. You must register again **ONCE** every **SEPTEMBER 1st** (or after) online at www.ralphs.com or by calling Ralphs Community Contribution Program at **800-443-4438** (Monday-Friday from 8am to 4pm). Our school ID is 80908.

Please RENEW your registration now. The new period started Sept. 1st

Who can support Hawthorne? Anyone with a Ralphs card that links it to Hawthorne School. This includes parents, teachers, staff, family, friends and colleagues. Last school year, only 55 people linked their Ralphs card to Hawthorne but we have hundreds of Hawthorne families and staff.

Is it worth it? YES! Our 55 supporters earned Hawthorne almost **\$350** in the last 3 months. That equates to **\$1,400 per year** just for purchasing groceries but from only a fraction of our families and staff. If more of you join, we can earn thousands more for Hawthorne just for shopping at Ralphs.
