The mission of Harry E James Elementary School is to provide a safe, positive learning environment, enabling all children to reach their full potential. We are committed to accomplishing this mission by teaching, encouraging, and rewarding responsible behavior.

We always teach our students how to resolve conflicts without physical contact. We also strive to improve social competence and academic behavior.

Outlined in our **HERO** presentation are responsibilities that apply throughout the school. Students receive HEDGIES  for demonstrating responsible behavior. These may be redeemed in our Hedgie Store every few weeks. Also, quarterly special events are held to celebrate accomplishments and to encourage responsible behavior.
