Schools of Choice Policies & Regulations

- One application per student, per year may be submitted to one school district. You may indicate a second choice and third choice on your application. (If you apply to more than one district you may be disqualified for all districts that year.)
- If more applications are received in a district than openings are available, there will be a random lottery drawing for all applications received prior to the deadline. If your application is not selected by your first choice district, they will automatically forward your application to your second and/or third choice districts.
- According to the Michigan High School Athletic Association students accepted into the Schools of Choice program who are in grades 10 – 12 will not be eligible to participate in sports for one semester – until the second half of the school year.
- Accepted students must agree to comply with choice districts policies.
- Transportation is NOT provided for Schools of Choice students. Parents must provide their own transportation to and from school for children accepted for enrollment through the Kent ISD Collaborative Schools of Choice Plan.
- After you are accepted, you will be allowed continuous enrollment in that district until graduation or until you withdraw from that district at which time you may return to your resident district.
- Waiting lists will be created at choice districts after the lottery/random draw and parents will be notified if spaces become available.
- Siblings of students previously accepted under the Schools of Choice Program will be assigned to open spots before a random draw begins. Students who reside in the same household will be considered “siblings” for the purpose of Schools of Choice.
- The only limit on movement between school districts for an applicant to the Kent ISD Collaborative Schools of Choice Plan is the space available in the desired district and/or the Choice student’s suspension or expulsion record.

Please be advised that the Schools of Choice eligibility rules are governed by the Michigan Compiled Laws under MCL 380.1401, 388.1606, 388.1705, 388.1705c and 388.1707.
