## William S. Hart UHSD Bullying Prevention Policy

Wm. S. Hart UHSD believes that all students have a right to a safe and healthy school environment. The District and community have an obligation to promote mutual respect.

Wm. S. Hart District will not tolerate bullying or any behavior that infringes on the safety of any student. A student shall not intimidate or harass another student through words or actions for any reason including race, religion, or sexual preference such that the actions substantially interferes with a student's educational experience; creates an intimidating or threatening educational environment; or disrupts the orderly operation of the school, and/or the overall educational environment.

Definition: Bullying is defined as aggressive behavior that involves an imbalance of real or perceived physical or psychological power among those involved. Typically the behavior is repeated over time and includes the use of hurtful words and/or acts.

Indicators of Bullying Behavior: Bullying behaviors may include, but are not necessarily limited to, the following:

- Verbal - Hurtful name-calling, teasing, gossiping, making threats, making rude noises, or spreading hurtful rumors.
- Nonverbal - Posturing, making gang signs, leering, staring, stalking, destroying property, using graffiti or graphic images, or exhibiting inappropriate and/or threatening, gestures or actions.
- Physical - Hitting, punching, pushing, shoving, poking, kicking, tripping, strangling, hair pulling, fighting, beating, biting, spitting, or destroying property.
- Emotional/Psychological - Rejecting, terrorizing, extorting, defaming, intimidating, humiliating, blackmailing, manipulating friendships, isolating, ostracizing, using peer pressure, or rating or ranking personal characteristics.
- Cyber Bullying - Any bullying, harassment or intimidation when such is accomplished utilizing electronic communication media or electronic signaling devices. Such media includes, but shall not be limited to e-mail messages, text messages, instant messages, social networking sites; internet based video sites and postings of blogs.

If such activity is engaged in on campus, during school sponsored activities, including any sports or extra-curricular activities, or related school activities, is engaged in utilizing school provided or owned/leased electronic computer equipment, the individual(s) shall be subject to discipline pursuant to the school's disciplinary policy.

Wm. S. Hart UHSD reserves the right to regulate, review, investigate and discipline students for bullying harassment, intimidation and/or cyber-bullying, or any other disciplinary violations when such activities threaten violence against another student, are related to school activities, or otherwise disrupt the learning environment or orderly conduct of the school, school business or school activities.
