

Magnolia School District

LCAP Goal Areas

Optimal Learning Environments

All Magnolia School District facilities will be safe, clean, and energy efficient, with modern communications and data systems to ensure optimal 21st century learning environments.

Rich 21st Century Educational Programs

All Magnolia School District sites will engage in a rich, 21st Century educational program that includes access to high quality curriculum, highly qualified teachers, access to technology for learning, and a broad course of study that lays a strong foundation for college and career readiness.

Language and Academic Proficiency

ALL Magnolia School District students will develop high levels of English language and academic proficiency in grade level standards.

Parent Education and Engagement

Magnolia School District will provide parents at every school site with opportunities to acquire skills, support their children, and engage with school staff in collaborative discussions and decision-making.

Positive School Culture

Magnolia School District will provide a strong system of supports to promote positive school climates that result in high levels of attendance and positive student engagement.
