## **FIREBAUGH MIDDLE SCHOOL**

### **Vision**

Firebaugh Middle School is a high performing school as shown by standardized testing results and student participation in successful co-curricular and extra-curricular programs. Students will leave Firebaugh Middle School with the skills, motivation, and inspiration to be successful and competitive at the high school level.

### **Mission**

Our Mission is to provide an environment that ensures all students are learning and achieving proficiency or higher on grade level state assessments, while developing social and emotional skills necessary for their success in the future.
