Middle School Update

We currently have space available for incoming 6th grade students. However, 8th grade is currently on a waitlist and 7th grade is quickly approaching one. In order to be placed on the appropriate grade waitlist, you MUST complete ALL applicable enrollment steps and submit ALL necessary documents. As space in a grade becomes available, students will be offered the space on a first-come, first-served basis. Click [HERE](#) to begin the enrollment process for your middle school student.
