The RSMS will be hosting our 3rd Quarter Student-Led Conferences on Thursday, March 22, from 3:30-7:30 PM. Student-Led Conferences will allow students to take their parents around to their classes while leading conversations on their learning. This format is very flexible allowing the parent/child to visit classrooms at their own pace looking through documents on their child's laptop that demonstrates their learning. Teachers are available for questions/comments during this conference format. If you have any questions about conferences or would like to schedule an individual meeting at a different time than March 22, please contact your child's teacher. We look forward to seeing you at conferences!
