ADMINISTRATIVE PROCEDURE

LANGUAGE PROCEDURE

Language Philosophy:

Northville Public Schools, (NPS) believes:

- Language programs should be based upon current state and national standards and best practices. (Michigan Department of Education [MDE] and American Council on the Teaching of Foreign Languages [ACTFL])
- All students should be instructed at their instructional level.
- All students should be equipped to communicate successfully in a pluralistic American society and abroad. (ACTFL)
- All students should experience success in a second language.

School Language Profile:

Students in NPS speak many different languages. Although the majority of students speak English, internationalism is evident. Bilingual residents speak many languages with varying degrees of competencies and literacies, such as Mandarin Chinese, Arabic, Korean, Hindi, Spanish, French, German, and Japanese.
