Subject: Professional Development Plan

BACKGROUND:

Last year LUSD developed a three year Professional Development Plan. The plan was based on feedback provided by the ALE, staff, administrators and the community. This report demonstrates what LUSD will be accomplishing in professional development for the 2014 – 2015 school-year for the teachers, administrators and instructional aides.

LUSD will be working closely with San Joaquin County Office of Education (SJC OE). They will provide a major portion of the presenters. Our teachers that attended the Singapore Math Conference and the Reading and Writing Project Conference will present the strategies they acquired. This will be during the afternoon sessions with the aide of other district staff members as needed.

FINANCIAL IMPACT:

The budgets to fund the plan will be as follows:

Title I	\$50,000
Title II	\$34,400
Common Core	\$150,000
