**Parent / Guardian / Student:**

By signing this form, you acknowledge, understand and agree to the following:

1. The child's participation in this activity is a privilege and not a right. You understand that all District rules and policies apply to the child during this activity and have spoken to the child about such and the need to comply with the same.
2. Certain risks to your child may arise from participation in this activity. You knowingly and voluntarily assume such risks and accept full responsibility for all medical expenses and other damages resulting from any injuries or death sustained to the child by reason of participation in the activity or administration of medication during the activity.
3. You hereby waive, release and forever discharge the St. Marys Area School District, its Board Members, administrators, teachers, employees, agents, assigns and volunteers ("released parties") from and against any and all claims and forms of liability that may result from and during the child's participation in the activity. You further agree to indemnify and hold harmless the released parties from the released claims, including any and all related costs, attorney fees, liabilities, settlements, and/or judgements. This Release shall be construed broadly to provide a release and waiver to the maximum extent possible under the law.
4. You nominate the adult leader of the activity as your agent to consent for medical treatment and hospital care of the child when the leader deems a medical emergency exists. You expect to be contacted about such treatment, care and emergency as soon as may be practical.
5. You have fully and accurately completed the medical section below. You acknowledge that a nurse or other health care professional may not be present at or during the activity. You agree that medication can be administered to the child by the child's parent/guardian, the child if over the age of 13 years, or an adult leader if he or she feels comfortable doing the same. Only medication that is absolutely necessary shall be administered during the activity. The medication shall be properly labeled and limited to the amount which is necessary for administration during the activity. The trip advisor will be in possession of the medication during the trip.
6. You understand that you can refuse to sign this Form, in which case the child will not be permitted to participate in the activity.
