“Verizon Innovative Learning School”

Verizon is investing \$200 million dollars in STEM education over the next 5 years to reach over 5 million students by 2023. Let’s make AAJHS one of those Innovative Learning Schools!

Our kids deserve the chance to excel at STEM, and our teachers deserve to have the cutting edge professional learning and materials to teach it. @Verizon wants to make that happen. Verizon is calling on the public to nominate a deserving school to help give children a brighter future. The deadline to nominate is **April 15th**.

How can you nominate A.A.J.H.S.?

1. Quote Tweet or Reply to a video posted to the @Verizon Twitter handle
2. Highlight an impactful story from A.A.J.H.S.
3. Add the School Name and Location
4. Use #Humanability

Or

1. Go to <https://twitter.com/verizon/status/980671197645099009>

We appreciate your support for our children and teachers!
