

GO Center Q&A

What is the GO Center?

The GO Center is a college and careers readiness center for all students, grades 9-12.

It is our goal to help prepare our students to be successful after their high school experience.

A Go Center Coordinator and Aggie Mentors are available Monday-Friday from 7:45am-5:00pm to assist students visiting the GO Center.

Why should students come to the GO Center?

Students can come to the GO Center to explore career choices.

Career Cruising is a tool we use to help students determine their interests and strengths. After determining that, *Career Cruising* will suggest careers that relate to the information the students have provided. As students interests change, they are encouraged to comeback and update *Career Cruising*.

Students can come to the Go Center to search for jobs.

We provide a list of local websites that have job opportunities in our area. If student need help creating a resume we can help with that.

Students can come into the GO Center for anything extended learning after high school.

Whatever students are planning to do after high school we are here to help guide them in that process.

- Get information about the military, colleges, technical and trade schools
- Apply for colleges, technical and trade schools
- Get study guides and register for ACT/SAT
- Explore financial aid and scholarship options

Parents are always welcome to visit the GO Center. If you have any questions, please contact the Go Center Coordinator at 979-209-2598 or tammy.broussard@bryanisd.org.
