## Fourth Grade

### **Standard 1**

archaeology  
artifacts  
communication  
erosion  
excavations  
landforms  
natural resources  
regions  
seismic activity  
transportation  
tourism

### **Standard 2**

consumer  
demand  
economy  
globalization  
immigrant  
producer  
technology  
supply

### **Standard 3**

allegiance  
citizen  
civic organizations  
government  
representative  
responsibilities  
rights

## Fifth Grade

### **Standard 1**

charter  
colony  
compact  
cultural diffusion  
displacement  
Europe  
exploration  
indentured servant  
Iroquois  
Confederacy  
North America  
servant  
slavery  
South America

### **Standard 2**

declaration  
independence  
revolution  
self-rule

### **Standard 3**

amendment  
assembly  
check and balance  
confederation  
constitution  
executive  
judicial  
legislative  
petition  
preamble

### **Standard 4**

abolition  
Civil War  
compromise  
emancipation  
expansion  
free-market system  
industrial  
  revolution  
reconciliation  
Underground  
  Railroad

### **Standard 5**

democracy  
depression  
genocide  
human rights  
migration  
rule of law  
suffrage  
superpower

## Sixth Grade

### **Standard 1**

ancient  
architecture  
customs  
decline  
drama  
empire  
gender role  
innovations

### **Standard 2**

city-state  
cultural exchange  
feudalism  
international trade  
literacy  
Magna Carta  
manor  
merchant

### **Standard 3**

economic  
religious  
revolution  
social  
identify  
compare

### **Standard 4**

child labor  
conservation  
environment  
famine  
political turmoil  
pollution  
poverty

irrigation literature mosque philosophy sacred social class synagogue technologies temple vocation	Middle Ages moveable type Renaissance
