

GUIDELINES FOR FIELD TRIPS

Field trips, tours, and excursions (hereinafter referred to as “trip”) require careful planning. They necessitate administrative and parental/guardian approval, suitable behavior for the occasion, and sufficient orientation to ensure the most effective learning outcomes. The trip should originate from a current unit of study and be appropriate for the age and maturity level of the group. Students should understand the field trip and what is to be learned. As soon as possible after the trip, the teacher should, with the students, review and evaluate the objectives of the trip.

Whenever possible, students should be transported in school or chartered buses that are bonded and insured transportation carriers. In certain situations when transporting small numbers of students, vans can be used if they meet the requirements of the Transportation Code. Specific questions should be directed to the transportation department.

If rented vehicles are used, the vehicle must be insured, and the operator of the vehicle must be appropriately licensed and insured. Rented trucks can be used to transport instruments or equipment when bands/orchestras and other groups are traveling. The operator of the vehicle will ensure that the number of passengers does not exceed the designated capacity of the vehicle and that each passenger is secured by a safety belt. The owner and/or the person who leases a vehicle assumes all liability. School employees who rent vehicles on behalf of the district are covered under the district insurance policy. [See policy FMG (LOCAL)]

The campus administrator or instructional staff person/sponsor will determine the ratio of students per adult based on classroom/group needs. Instructional staff and chaperones are responsible for student safety and conduct while on the trip.

Field trips may be canceled at the discretion of the sponsor with prior approval of the principal for any of the following events or any other event, which could possibly jeopardize the safety, and security of the students and/or District employees including but not limited to:

- a. Unsafe conditions.
- b. Lack of funds.
- c. Natural disasters.
- d. Travel advisories issued for the geographical area.

“In-district and/or local trips” must be submitted to the **Campus Principal** for approval. Campuses will use the field trip proposal form and the bus requisition form or other travel forms for the approval process for any field trips. The trip proposal format must contain the following:

- a. Campus adopted proposal
- b. A plan for medical emergencies
- c. Medical health conditions for each student
- d. Bus requisition form

Trips that are out-of-state, out-of-country, and/or overnight or to any area where student safety is in question must be submitted in proposal format [see FMG (EXHIBIT)], which must contain, but not be limited to the following:

- a. A clearly defined instructional purpose for the trip.
- b. A defined student/chaperone supervision ratio sufficient to meet reasonable safety requirements.

GUIDELINES FOR FIELD TRIPS

- R
- c. A full accounting of the cost of the activity to be managed out of the local campus budget or activity fund.
 - d. Documented pre-approved travel and transportation.
 - e. A plan for medical emergencies.
 - f. An explanation of any activity that may be hazardous and the safety procedures and precautions that will be taken to ensure student safety. **Swimming or water activities without an on-duty lifeguard or certified water safety sponsor is prohibited.**
 - g. A security plan for monitoring rooms during the night to ensure safety for participants.
 - h. The request must be forwarded to the **Associate Superintendent of Instructional Leadership** or designee who will inform the Superintendent of Schools [see FMG (LOCAL)].

Teacher sponsor responsibilities for out-of-state, out-of-country, and/or overnight are as follows:

- a. Secure all approvals and notices prior to committing the District and collecting/raising funds. The school principal will forward the written request to the **Associate Superintendent of Instructional Leadership** or designee for approval for in state trips. Trips out of state will be forwarded on to the Superintendent. Trips out of the country also require permission of the Board of Trustees.
- b. Provide appropriate adult supervision. The ratio of students to chaperone will be determined by **Campus Principal**.
- c. Inform chaperones, in writing, and prior to the trip, of their full responsibilities while on the trip, including any special instructions, necessary for a successful trip.
- d. Secure parent/guardian permission (Parent/Guardian Approval Form) in writing and retain in the possession of the sponsor. Sponsors and students may be required to complete other forms if the trip is being sponsored by an organization.
- e. The sponsor must be aware of students on prescribed medication and must keep and monitor the administration of the prescribed medication while on the trip. The sponsor must have a signed copy of the student's Physician/Parent Request for Administration of Medicine or Special Procedures by School Personnel, a copy of which may be obtained from the school nurse.
- f. Know what to do in the event of an accident or illness while on a trip. The teacher sponsor should:
 - Plan, with the school nurse, what to do in case of an accident or illness before leaving on the trip.
 - Render first aid for minor injuries, such as minor scrapes and cuts.
 - Call the local police department/emergency medical service for more serious injuries. If the emergency medical service transports the student to the hospital, the sponsor or his/her adult designee must accompany the student and remain with the student until the Parent/Guardian arrives.
 - Notify 1.) Principal, and 2.) Parent/Guardian.

GUIDELINES FOR FIELD TRIPS

- Not assume hospital costs. This is the responsibility of the Parent/Guardian.
 - Upon return, make a report of the accident to the Principal who will provide a copy to the school nurse and the **Associate Superintendent of Instructional Leadership**.
- g. Frequently count the number of students, such as when the group arrives and departs from each activity. Implement a buddy system for use throughout the entire trip.

The following timeline will be followed when planning for field trips. Therefore, staff should plan accordingly when submitting documents for approval:

- Day trips - all required information must be submitted to the campus principal at least **two weeks** prior to planned activity. Trips out of the city of McAllen or trips paid from district level accounts should be forwarded on to the appropriate director or to the associate superintendent.
- Intrastate field trips (overnight trips) – **four weeks** (Associate Superintendent of Instructional Leadership/Designee)
- Out of state field trips(overnight trips) – **four weeks** (Superintendent)
- Out-of-country field trips (overnight trips) – **four months** (Board of Trustees).

For each trip, the parent/guardian will be notified of the purpose of the trip and will complete the Parent/ Guardian Approval Form, which will be returned to the school prior to the event.

Parent permission is required as follows:

- a. For each trip, a permission form (Parent/Guardian Approval for Student Participation) is necessary. Teams or groups which submit identical travel requests such as a sports team may collect one permission form with the schedule attached.
- b. The Parent/Guardian Approval for Student Participation form should include the following information:
 - Purpose(s) of the trip
 - Place(s) to be visited
 - Means of transportation
 - Date
 - Time of departure and return
 - Parent or guardian signature

Upon request of the Principal, additional information may be provided to Parent/Guardian in writing for trips such as:

- The name of the teachers who will supervise the trip
- Responsibility of the students
- Cost, if any, to the student

GUIDELINES FOR FIELD TRIPS

- Special arrangements, if any
- Itinerary

Chaperones must be: District employees; or

Chaperones must adhere to established basic guidelines (Raptor System) for District-sponsored functions and additional guidelines as may be developed by the individual school. Chaperones are responsible for attending any designated information or procedural meeting prior to and during the field trip as required by the school principal, sponsor, or designee.

The primary reason for the chaperones is to supervise a group of students. Chaperones are responsible for students and are expected to stay with their assigned group and monitor their behavior for the entire field trip from departure time until they return to school.

Chaperones must sign a form acknowledging their responsibilities as chaperones and must not be allowed to smoke, use tobacco products of any type, consume alcoholic beverages or illegal drugs, or to be involved in any illegal or immoral activity during the trip. [See FMG (EXHIBIT)]

The ratio of students to chaperones will be determined by the campus administrator.

Day Trip Planning Guide

{Check off as you complete}

- Submit the trip packet to campus principal for approval **two weeks** prior to scheduling the trip.
- Notify nurse about the trip in advance.
- Notify cafeteria manager about lunch requests. (Even if you are not going to request lunch bags)/special diets.
- Submit bus requests or travel forms with trip packet attached. (**must be submitted 7 days prior to event**)
- Create and submit (office clerk) a list of students **not going** on the trip and whom they are staying with (teacher in another grade).
- Send out and account for all permission slips. Take all permission slips with you in a folder.
- Do **NOT** allow for parental permission over the phone.
- Only school employees or authorized chaperones may ride the MISD bus or chartered buses.**
- Remind parents that if they are going on the field trip as chaperones—they cannot take any other children (younger siblings not enrolled in school).
- Remind parents that they may not take another child (who is enrolled in another grade level) on a field trip with a brother or a sister in another grade level.
- Account for bus driver(s) (Entry Fee and Lunch).
- Remind parents that if they wish to take their child home (in their own vehicle) from the field trip –they must fill out Parent-Providing Transportation.
- Work with Secretary/Bookkeeper on preparing checks (for entry fees, restaurants etc.) one week ahead of time.
- Account for all Special Education students in your grade level.
- Requisitions for Special Transportation buses need to be submitted for Special Education students requiring special transportation or students who are temporarily on wheel chairs or other assistive devices for mobility—unless otherwise cleared by administration.
- Buses must be back at school by 2:30 p.m., unless prior approval was granted by an administrator and it was noted/included on the permission slip.

Chaperones:

All Classroom Teachers can serve as sponsors/chaperones for any field trip. Below is a list of individuals who qualify to be a chaperone on any of the upcoming field trips. Staff will be assigned and approved by the principal.

- a. Administration
- b. Counselors
- c. Support Staff (Literacy Coach, Special Ed. Staff, Coaches, etc.)

McAllen Independent School District Athletic Department

Insurance Information for Parents

The McAllen ISD provides student athletes with limited accident insurance while they are participating in any school sponsored UIL event. This does not cover injuries sustained at home, during regular school time, or during PE classes. It is very important that everyone knows and understands the facts regarding this insurance policy. Any questions should be directed to the school athletic trainer or the school athletic department.

• **If you have primary insurance covering your child, you will need to file a claim with them BEFORE the school insurance will consider the claim.** You will be responsible for following the procedures of your personal insurance before the school insurance will begin processing the claim.

• If you **DO NOT** have an insurance policy covering your child, the school district's accident insurance policy will become your primary policy. There are limits to this policy and you will be responsible for any remaining balances to the providers. **Note: It is illegal for any public school to pay for any medical bills. The parents or guardians are responsible for any remaining balances after insurance has paid.**

• If your child is injured during athletics, the following procedures should be followed in order to provide optimal service and minimal delay regarding insurance claim considerations:

1. First, your child should see the athletic trainer or coach immediately after an injury occurs.
2. Second, if your child needs medical attention beyond the school's care, the athletic trainer or coach will fill out an injury claim form to be on file with the school's athletic insurance.
3. Complete your portion of the school claim form completely and take the form to the provider in addition to filing with your primary insurance. Every provider needs a copy of the school's claim form, so ask the provider to make several copies.
4. If for some reason an emergency arises and your child needs medical attention immediately, the claim form can be obtained and completed after the situation is under control. Your child's health and safety is our first priority. Paperwork is secondary in an emergency.
5. Lastly, and most importantly, if you have any questions or concerns regarding the care given to your child, the insurance process, or any other matter, call the athletic trainer or coach so any questionable information can be explained.

Hazing Policy

McAllen ISD prohibits hazing. Hazing means any intentional, knowing, or reckless act directed against a student, by one person alone or acting with others, that endangers the mental or physical health or the safety of a student for the purpose of being initiated into, affiliating with, holding office in or maintaining membership in any organization whose members are or include other students. The term includes but is not limited to:

1. Any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity.
2. Any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving consumption of food, liquid, or alcoholic beverage, liquor, drug, or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
4. Any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, or that adversely affects the mental health or dignity of the student or discourages the student from remaining registered in a district school, or that may reasonably be expected to cause a student to leave the organization or the school rather than submit to acts described above.
5. Any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code.

The following actions shall be included in the offense of hazing; students who commit any of them violate District policy and are also subject to criminal prosecution:

1. Engaging in hazing.
2. Soliciting, encouraging, directing, aiding, and attempting to aid another in engaging in hazing.
3. Intentionally, knowingly, or recklessly permitting hazing to occur
4. Having firsthand knowledge of the planning of a specific hazing incident involving a student or firsthand knowledge that a specific hazing incident has occurred, and knowingly failing to report that knowledge in writing to the principal, superintendent or designee.

GENERAL INFORMATION

School coaches may not:

- Transport, register, or instruct students in grades 7-12 from their attendance zone in non-school baseball, basketball, football, soccer, softball, or volleyball camps (exception: school coaches may hold one 6-day camp in their school district for incoming 7th, 8th and 9th grade students),
- Give any instruction or schedule any practice for an individual or a team during the off-season except during the one in school day athletic period in baseball, basketball, football, soccer, softball, or volleyball.
- Schools and school booster clubs may not provide funds, fees, or transportation for non-school activities.

GENERAL ELIGIBILITY RULES

According to UIL standards, students are eligible to represent their school in interscholastic activities if they:

- are not 19 years of age or older on or before September 1 of the current scholastic year. (See 504 handicapped exception.)
- have not graduated from high school.
- are enrolled by the sixth class day of the current school year or have been in attendance for fifteen calendar days immediately preceding a varsity contest.
- are full-time day students in a participant high school.
- initially enrolled in the ninth grade not more than four calendar years ago.
- are meeting academic standards required by state law.
- live with their parents inside the school district attendance zone their first year of attendance. (Parent residence applies to varsity athletic eligibility only.) When the parents do not reside inside the district attendance zone the student could be eligible if: the student has been in continuous attendance for at least one calendar year and has not enrolled at another school; no inducement is given to the student to attend the school (for example: students or their parents must pay their room and board when they do not live with a relative; students driving back into the district should pay their own transportation costs); and it is not a violation of local school or TEA policies for the student to continue attending the school. Students placed by the Texas Youth Commission are covered under Custodial Residence (see Section 442 of the *Constitution and Contest Rules*).
- have observed all provisions of the Awards Rule.
- have not represented a college in a contest.
- have not been recruited. (Does not apply to college recruiting as permitted by rule.)
- have not violated any provision of the summer camp rule. Incoming 10-12 grade students shall not attend a baseball, basketball, football, soccer, or volleyball camp in which a seventh through twelfth grade coach from their school district attendance zone, works with, instructs, transports or registers that student in the camp. Students who will be in grades 7, 8, and 9 may attend one baseball, one basketball, one football, one soccer, one softball, and one volleyball camp in which a coach from their school district attendance zone is employed, for no more than six consecutive days each summer in each type of sports camp. Baseball, Basketball, Football, Soccer, Softball, and Volleyball camps where school personnel work with their own students may be held in May, after the last day of school, June, July and August prior to the second Monday in August. If such camps are sponsored by school district personnel, they must be held within the boundaries of the school district and the superintendent or his designee shall approve the schedule of fees.
- have observed all provisions of the Athletic Amateur Rule. Students may not accept money or other valuable consideration (tangible or intangible property or service including anything that is usable, wearable, salable or consumable) for participating in any athletic sport during any part of the year. Athletes shall not allow their names to be used for the promotion of any product, plan or service. Students who inadvertently violate the amateur rule by accepting valuable consideration may regain athletic eligibility by returning the valuable consideration. If individuals return the valuable consideration within 30 days after they are informed of the rule violation, they regain their athletic eligibility when they return it. If they fail to return it within 30 days, they remain ineligible for one year from when they accepted it. During the period of time from when students receive valuable consideration until they return it, they are ineligible for varsity athletic competition in the sport in which the violation occurred. Minimum penalty for participating in a contest while ineligible is forfeiture of the contest.
- did not change schools for athletic purposes.
- **I have been provided the UIL Parent Information Manual regarding health and safety issues and my responsibilities as a parent/guardian. I understand that failure to provide accurate and truthful information on UIL forms could subject the student in question to penalties determined by the UIL.**

I have read the regulations cited above and agree to follow the rules.

Anabolic Steroid Use and Random Steroid Testing**

- Texas state law prohibits possessing, dispensing, delivering or administering a steroid in a manner not allowed by state law.
- Texas state law also provides that body building, muscle enhancement or the increase in muscle bulk or strength through the use of a steroid by a person who is in good health is not a valid medical purpose.
- Texas state law requires that only a licensed practitioner with prescriptive authority may prescribe a steroid for a person.
- Any violation of state law concerning steroids is a criminal offense punishable by confinement in jail or imprisonment in the Texas Department of Criminal Justice.

STUDENT ACKNOWLEDGEMENT AND AGREEMENT

As a prerequisite to participation in UIL athletic activities, I agree that I will not use anabolic steroids as defined in the UIL Anabolic Steroid Testing Program Protocol. I have read this form and understand that I may be asked to submit to testing for the presence of anabolic steroids in my body, and I do hereby agree to submit to such testing and analysis by a certified laboratory. I further understand and agree that the results of the steroid testing may be provided to certain individuals in my high school as specified in the UIL Anabolic Steroid Testing Program Protocol which is available on the UIL website at www.uil.utexas.edu. I understand and agree that the results that the results of steroid testing will be held confidential to the extent required by law. I understand that failure to provide accurate and truthful information could subject me to penalties as determined by UIL.
