

Good Afternoon BlackHawks,

I hope everyone's spring semester is off to a great start.

We came extremely close to setting an attendance record last week. Let's continue to strive to be at school each day. Class attendance is a major factor in academic success.

Home Athletic Events -

Tuesday, January 30 - Basketball vs Starmount, between the varsity girls and boys game we have our Mr. and Miss West High presentations. We could possibly host the 1st and 2nd round of the state duals on Tuesday, as well. Tuesday night will be an exciting time for us all.

Friday, February 2 - Basketball vs Elkin

Let's all work together to help all students be successful.
