

LMS Weekly Bulletin 2-23-18

We have planned an intruder drill for Tuesday, February 27th. This drill will NOT include the firing of any weapons. It should consist of barricading and responding appropriately to an intruder within our building. Students will not be asked to evacuate because of the cold and snow. Parents should receive a text message between 5-10 mins before the drill begins so they are aware of what is going on inside the building (you will not be able to get into the building at that time). If you have questions or concerns, please contact the LMS office at 548-6553.

The MATHCOUNTS competition has been rescheduled for Monday, February 26, 2018 at Northwest College. Participants will be leaving after lunch and should arrive back at LMS around 5:30 p.m.

The students participating in the NWC Jazz Festival will be leaving at 8:00 a.m. on Wednesday, February 28th and will return around 2:00 p.m.

Parents, please continue to keep an eye on your student's social media use. We are seeing more students involved in problematic situations that revolve around social media. Having parental locks and the ability to monitor your child's activity is important to keep your child safe. If you have questions or concerns, please don't hesitate to reach out. We have a number of resources we can help direct you towards.

The LMS school activity calendar is continuously updated on the school webpage. Please reference the calendar for school activity information.

- No School on Thursday, March 1st or Friday, March 2nd.

Thanks, have a great week.

Sincerely,
