

## **Lavallette School 2016-2017 Technology Fee Policy**

Please read this policy to understand your family's rights and responsibilities and what is covered by the Lavallette School.

The Lavallette School will be charging each student in grades 5 through 8 a **\$35.00 Technology Fee** for the 2016-2017 school year. This fee will cover the distribution of a Google Chromebook for each student, along with insurance that the school will purchase. All students must pay the fee, even if he or she is not taking his/her device home each night.

The Lavallette School District will be purchasing insurance for student Chromebooks with technology fee money. The insurance provided applies to any Chromebook issued to your child by the Lavallette School, whether it is the originally issued Chromebook, a loaner, or a replacement. There is a limit of 2 claims per year for Chromebook damages. If a student loses his/her Chromebook or there is damage caused by failure to provide adequate protection for the device, they will be responsible for paying for a new device at the cost provided by the school district. The school administration has the final say in determining insurance and repair situations.

If there is a claim, the computer technician will fill out the appropriate paperwork and inform all parties. Once the claim is in process, a loaner will be issued to the student if available.

Please complete the attached form and return to Mrs. Knehr with a check made payable to The Lavallette School. Shortly after receiving your payment, your child will receive his or her Chromebook. The **Google Chromebook School Policy** can be found under the tab "Google Chrome Info" on our school website at [www.lavallettek12.org](http://www.lavallettek12.org). We ask that you read this over and review the information with your child. Please direct any questions to Mrs. Knehr at [lknehr@lavallettek12.org](mailto:lknehr@lavallettek12.org).
