

El Segundo High School Parent Teacher Association (PTA) has decided to partner with Behind the Wheel Driving School in a fundraiser which will help support our program.

Behind the Wheel Driving School is locally family owned and operated and has been a trusted resource for El Segundo students to learn to drive safely for over 20 years.

Any teens under the age of 17 and a half who are interested in obtaining a license must first get a permit. In order to obtain a permit a teen is required to complete drivers education either online or in the classroom. If you or your friends plan on signing up for driver education please support our program by signing up with the link below that has been set up to help us raise money.

Behind the Wheel Driving School has agreed to donate half of all of their sales to El Segundo PTA for any purchases of drivers education that come from the registration link below.

Here are the details:

Online Driver Education: Behind the Wheel Driving School charges \$65 per student and will donate half of all sales to El Segundo PTA.

If you have any questions regarding these programs, you can call Behind the Wheel Driving School at 310-318-2298. But, please make sure to use the link above to register. If you register for this class in any other way we will not get credit for your purchase unless you specifically state at the time of purchase that you heard about the fundraiser from El Segundo PTA. This purchase cannot be combined with any other offer and when making this purchase you are agreeing to all of Behind the Wheel Driving Schools terms and conditions.

Thanks for supporting El Segundo PTA!
