Dear Parents/Guardians,

Congratulations! Your child has been selected for this year's \_\_\_\_\_ team. We are very excited for the upcoming season. The games will begin in the second week of April. A game schedule will be distributed the last week in March for each sport. I will be in contact with parents via the "Remind App" (which sends text alerts regarding upcoming practices and game schedules), as well as handouts to students. All spring sport practices will take place from Monday-Thursday 4:00-6:30pm. This will also include an academic period in order for student-athletes to complete homework, prepare for tests, and/or seek extra help. We welcome parents to follow the CSEE Athletics Instagram account (csee\_owls\_athletics) for additional information on upcoming events and action shots from practices and games.

Below please find the coaches for each of the spring sports along with their contact information. Please do not hesitate to contact them with any questions or concerns that may arise. Open communication is vital in the success of our programs!
