

SAFEKC Sports Physicals

Student Athlete Foundation of Kansas City (SAFEKC)

Comprehensive sports physicals are just \$20

SAFEKC's comprehensive, pre-participation sports physicals for student athletes are being offered at Providence Medical Center.

SAFEKC sports physicals are available for only \$20 for student athletes from our member schools/leagues.

SAFEKC physicals are performed by board-certified physicians, orthopedic surgeons, sports medicine specialists, nurse practitioners and athletic trainers. Your payment to SAFEKC (cash, check or Visa/MC) is tax deductible, and will help provide continued athletic training services for student athletes.

Please visit safekc.org and download and complete the mandatory forms and bring them with you to the physical exam. A parent or guardian must accompany the student.

SAFEKC provides comprehensive athletic training and sports medicine for student athletes to schools. Learn more at safekc.org.

Physicals will be offered to student athletes from USD 500, USD 204, USD 203, Bishop Ward High School, Catholic Youth Organization and Kansas City Parochial League.

**Saturday, May 13
9 a.m. to Noon**
