Smart Questions to Ask Employers

- ▶ What do you like most about your job?
- ▶ What jobs/positions will be the most important for your company to fill in the future?
- ▶ I'm interested in _____ (job/industry). Are there positions in your company that align with that interest?
- ▶ What has your career path looked like?
- ▶ What did you study in school? How did it help prepare you to succeed in your work?
- ▶ What characteristics do you look for in new employees?
- ▶ Does your company have an internship program?

Smarty Pants Project

Huntsville/Madison County is proud to be #asmartplace, with smart people doing smart things. Today, you had a chance to see a little bit more about what your future might look like. We want to hear about it – and you have a chance to **WIN BIG** by telling us!

What smart moves will you make toward your future, and what did you learn today that will help you get there? You can tell us in an essay, a 3D model, a video, or any other smart way that you choose.

One student from each district will be selected as a winner and receive a \$500 scholarship to support his/her smart future.

Projects are due by Friday, Sept. 30.

Email: asmartplace@hsvchamber.org

Mail or Delivery: Chamber of Commerce of Huntsville/Madison County, ATTN: Lyndsay Ferguson, 225 Church St NW, Huntsville AL 35801
