*The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. In order to permit the fair and orderly expression of such comment, the Board shall provide for two periods of public comments at every regularly scheduled meeting of the Board, the length of each period to be determined by the Board. Public participation shall be governed by the following rules:*

1. *A participant must be recognized by the presiding officer and must preface comments by an announcement of his or her name, place of residence, and group affiliation, if appropriate.*
2. *Each statement made by a participant shall be limited to a reasonable time as determined by the presiding officer.*
3. *No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard.*
4. *All statements shall be directed to the presiding officer; no participant may address or question Board members individually.*
5. *The presiding officer may (a) Interrupt, warn, or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant to the district; (b) Request any individual to leave the meeting when that person does not observe reasonable decorum; (c) Request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting; (d) Call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action; and waive these rules when necessary for the protection of privacy or the efficient administration of the Board's business.*
