Parents are encouraged to schedule all medical and dental appointments after school hours. Students must present a parent-signed note to the office for the appointments. Parents are requested to have their children ride the buses, as it is difficult at the end of the day to serve a large population of parents requesting their children be called to the office at dismissal. **Any student who wishes to walk to or from school must have a parent note on file in the office stating they are allowed to do so on early and regular dismissal days.**

- ❑ **Parents may not enter or park in the bus dismissal area. Parents may not remove their children from buses.**
- ❑ Parents must report to the Front Office sign their children in *late* or out *early*.
- ❑ Any student planning to attend a home sporting event must leave school at the regular time and return at 3:45 when home games start. No student may remain unsupervised while waiting to attend an afterschool activity.

VISITORS

For the safety and security of your children, it is important that all parents and visitors sign in and out at the front office and obtain a visitor's pass. This will help the faculty and administration ensure that all people in the building are supposed to be here. Your help and cooperation with this effort is appreciated. A valid drivers license or NJ State ID is required.

For the safety and security of our students and staff:

- ❑ All parents and visitors must sign in and out at front office and have proper identification.
- ❑ Students are instructed not to open school doors for visitors/adults at any time.

INSURANCE

The Dennis Township Board of Education provides each student with an accident insurance policy. Student insurance is secondary to other insurance held by parents. In the event of injury and subsequent claim, notify the school nurse as soon as possible.

ATTENDANCE

Parents/guardians are responsible for children to attend school. The Board of Education requires that the pupils enrolled in the schools of this district attend school regularly in accordance with the laws of the state. The education program offered by the district is predicated on the presence

of the pupil and requires continuity of instruction and classroom participation. The regular contact of pupils with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

Attendance at school may be excused by the administration when the demonstrated mental or physical condition of the pupil is such as to interfere with learning or prevent attendance, or by the observance of the pupil's religion on a day approved by the Board as a religious holiday.

No pupil, staff member, or visitor may attend or visit school if he or she has an un-coverable and/or uncovered weeping skin lesion, whether or not the person has been screened for HIV. Limits may be set on the number of excused absences granted to a child during the school year. All other absences are unexcused.

Parent(s) guardian(s) are responsible for notifying the school in the morning when a student is absent. They must call school at 861-2821 ext. 500. These calls will notify the school that the home is aware of the absence and the student is not truant.

Excused Absences

The administration considers the following as cause for excused absence:

1. Disabling illness that requires long term medical care;
2. Recovery from accident;
3. Required court attendance;
4. Death in the family;
5. Religious observance;
6. Such good cause as may be acceptable to the administration. A student who is absent from the regular school program may not participate in an extra curricular activity on the date of absence. Pupils absent from school for any reason are responsible for the completion of assignments missed because of their absence. Students will be allowed one day to make up missed work for every day they were absent from school. No student excused for a religious holiday shall be deprived of an award or eligibility to compete for an award or the opportunity to make up a test given on the religious holiday.

Prolonged or repeated absences or tardiness, excused or unexcused, from school or from class, deprive the pupil of the classroom experience deemed essential to learning and may result in retention at grade level in accordance with policies of this Board. A warning notice shall be given to any pupil, and to the parent or legal guardian of any minor pupil, who has been excessively absent excluding any absence attributable to disciplinary suspension.

The total of absences, for any reason, shall not exceed 18 during the school year, or 9 during any semester. Absences or tardiness in excess of these numbers will be grounds for legal action.

Unexcused absences and lateness from school or from classes within the school day constitute trancies and shall be subject to the disciplinary rules of the Board and legal sanctions. Repeated trancies that interfere with efforts of this Board and its staff in the maintenance of good order and the continuity of classroom instruction may result in the suspension or exclusion of any pupil from the course of study during which absences have occurred or the suspension or expulsion from school of a pupil over 16 years of age, in accordance with Board policy. Before any such action is taken, every effort shall be made to identify the habitual truant and investigate the cause or causes of the pupil's behavior.

LATE ARRIVAL & EARLY DISMISSAL

There are varying situations that may justify release of certain pupils from school before the normal time for closing. Such situations are justifiable only if the release does not jeopardize the pupil's educational program and the reasons for such release can be shown to have positive benefits for the pupil. Extra curricular practice sessions shall not interrupt regular curricular programs, and pupils shall not be excused from classes for any practice session.

If a child arrives in school after a session begins, he/she shall be marked tardy and must be signed in by a parent/guardian. The Board recognizes that from time to time compelling circumstances will require that a pupil be late to school or dismissed before the end of the school day.

As agents responsible for the education of the children of this district, the Board requests that the school be notified in advance of such late arrival and early dismissal by written request of the pupil's parent/guardian, which shall state the reason for the tardiness or early dismissal.

No pupils in grades kindergarten through eight shall be permitted to leave the school before the close of the day unless they are met in the school office by a parent/guardian or a person authorized by the parent/guardian to act on his/her behalf.

Tardiness not covered by the causes listed shall be cumulative, will be followed up the same as absences, and may affect promotional status. Excessive tardiness may result in administrative discipline.

TRANSPORTATION BY PARENTS/ GUARDIANS

For the protection of your child no student will be allowed to remain at school unsupervised, either before or after school. During the afternoon, if a child is not picked up prior to bus departure, the child will automatically be placed on his/her bus and be sent home. In the event no one is home, the child will be sent to latchkey and the parent will be responsible for that cost.

Transportation is provided by the school district and should be utilized by students. If parents/guardians transport a student, students should not be dropped off earlier than 8:30am. **Students who walk must have a parent/guardian letter on file in the office stating they are permitted to do so on both early dismissal and regular school days.**

EARLY DISMISSAL OF STUDENTS

Students are expected to stay in school for the entire length of the school day. Occasionally, it may be necessary for students to leave school early. Parents are required to write a short note to the teacher stating the reason and the time the student will be picked up. No student will be released to a parent from a classroom. All students must be dismissed from the Main Office. Parents may not remove their children from buses.

WALKERS AND STUDENTS PICKED UP BY PARENTS

AUTOMOBILES ARE NOT PERMITTED IN THE BUS LOADING AREA FROM 8:10-9:00am AND 3:10-3:45pm! DO NOT USE ANY AREA WHEN BUSES AND STUDENTS ARE OBSERVED.

Parents who bring their children to school in the morning must sign in their child at the Main School Office.

Any student who rides a bike or walks to school **MUST HAVE A NOTE SIGNED BY A PARENT/GUARDIAN AND ON FILE** with the office giving permission for them to do so.

BICYCLES AND WALKING

Students may ride their bicycles or walk to school provided a note or permission slip is written and signed by the students' parents. Bicycles should be placed on the bicycle rack. Bicycles should be locked. The school will not be held responsible for bicycles that are stolen or damaged.

Rollerblades must be removed before entering the building. **Helmets must be worn at all times by students bicycling or rollerblading.** (Failure to follow these procedures will result in loss of these privileges). Special Note: Mopeds, skateboards, and go-carts are not allowed on school grounds at anytime.

GENERAL RULES OF CONDUCT

School rules have been developed to encourage respect for self, others, and property. Students and staff must be guaranteed an environment that is safe. Mutual respect is the underlying principle in the classroom, in the hallways, on school grounds, and buses. All rules will be publicized, explained and equitably enforced.

1. Students must remain on the school grounds at all times during the school day. Students may not leave the school grounds under any circumstances without approval from the main office.

Cafeteria Rules Students are expected to obey cafeteria supervisors and follow the procedure of the cafeteria program. They should enter the cafeteria quietly, remain in assigned seats, request permission to move around the cafeteria, and clean their areas. **NO FOOD OR DRINKS MAY LEAVE THE CAFETERIA!**

HANDLING OF SUBSTANCES, FIREARMS, AND OTHER ITEMS

Any school employee who seizes or discovers any substance or item believed to be a controlled dangerous substance, including anabolic steroids, or drug paraphernalia, shall immediately notify and turn over the substance or item to the principal or designee. Either the principal or designee shall then immediately notify the Superintendent or designee who in turn shall notify the appropriate county prosecutor or other law enforcement official. The school employee, principal or designee, shall safeguard the substance or paraphernalia against further use or destruction and

shall secure the substance or paraphernalia until such time as the substance or paraphernalia can be turned over to legal authorities.

“ZERO TOLERANCE FOR GUNS ACT”

Any pupil who is convicted or adjudicated delinquent for possession of a firearm or a crime while armed with a firearm or found knowingly in possession of a firearm on any school property, on a school bus, or at school-sponsored function shall be immediately removed from the school’s regular education program pending a hearing before the local Board of Education to remove the pupil from the regular education program for a period of not less than one calendar year subject to modification on a case-by-case basis by the Superintendent.

DENNIS TOWNSHIP CODE OF CONDUCT

POSITIVE BEHAVIORAL INTERVENTIONS & SUPPORTS (PBIS)

The Dennis Township School District facilitates the Positive Behavior Intervention and Supports (PBIS) framework which includes proactive strategies for defining, supporting, and teaching appropriate behaviors to create positive learning environments. Attention is focused on sustaining a three-tiered system of support to enhance student learning. Students often need encouragement and new skills to improve behaviors and assistance in learning to do so. School staff recognizes that maintaining and changing student behaviors involves a continuum of acknowledgements, supports, and interventions. (Center for Positive Behavior Intervention Supports, University of Oregon)

The Dennis Township School District has embraced Positive Behavior Intervention & Supports (PBIS) to enhance school climate and culture across the district. PBIS is a research-based model that studies have shown to improve student academic and behavior outcomes. Our schools strive to ensure all students have access to effective behavioral practices and interventions. PBIS provides a framework for analyzing school wide behavior referrals to make decisions and solve problems based on their individual school needs.

Parents and student(s) will notice PBIS in our schools when they see and hear each school’s clearly defined expectations for all school settings and by the rewards student(s) can obtain by meeting these expectations.

Successful PBIS implementation will help us:

- Have more engaging, responsive, preventative, and productive learning environments.
- Improve classroom management and address disciplinary issues based on data analysis.
- Improve supports for students whose behaviors require more specialized assistance.
- Maximize academic engagement and achievement for all students PBIS schools organize their evidence-based behavior practices and systems into an integrated collection or continuum in which students experience supports based on their behavior responsiveness to intervention.

A three-tiered prevention logic requires that all students receive supports at the universal or primary tier. If the behavior of some students is not responsive, more intensive behavioral supports are provided, in the form of a group contingency (selected or secondary tier) or a highly individualized plan (intensive or tertiary tier).

Students in The Dennis Township School District, like members of any community, have both rights and responsibilities. The School District must protect those rights and insist upon those responsibilities.

The purpose of this Code of Conduct is to ensure that all students understand their rights and responsibilities, as well as the procedures for dealing with any violations. In addition, this Code of Conduct identifies classifications of violations and standard disciplinary actions and procedures.

It is expected that all teachers and administrators will faithfully enforce the Code of Conduct and abide by its intent and spirit and that parents will support the efforts of the school to provide a safe learning environment.

The Dennis Township School District will make every reasonable effort to keep students within the school's sphere of influence; suspension and/or expulsion will be used only as a last resort. Nevertheless, any student conduct that disrupts class work, brings disorder to the school, or infringes upon the rights or safety of others is a basis for intervention, suspension, and/or expulsion of students.

SUSPENSION AND EXPULSION

While our Board of Education believes that positive approaches to acceptable behavior are usually more effective, it is sometimes necessary to penalize pupils for violations of school regulations and policies to ensure the good order of the school and to teach them the consequences of disruptive behavior. In accordance with Board of Education policy and NJSA 18:37-2, pupils who indulge in disruptive behavior may be suspended or expelled.

1. Disobedience and/or disruption.
2. Open defiance of the authority of any teacher or person having authority over a pupil
3. Actions that constitute a danger to the physical well-being of other pupils
4. Physical assault or threatening physical assault (as defined by NJSA 2C:12-1) upon another pupil, teacher, visitor, or school employee

9. Use or possession of unsafe/illegal articles or substances on school property
10. Use of, possession or sale of a controlled dangerous substance or misrepresenting any substance as a controlled dangerous substance

They may not enter the school buildings or grounds of this district without the permission of the Superintendent or Principal. A parent conference with an administrator and or other appropriate personnel may be requested. In order for suspension or expulsion to occur all students are entitled to and must receive procedures of due process.

SOCIAL PROBATION

Students will receive five school days of social probation for each day of suspension assigned. (Two days suspension equals ten days of social probation). Students who receive social probation will not be allowed to participate in any classroom parties, celebrations, field trips, after-school or co-curricular activities. Students receiving a discipline write up will make that student ineligible to participate in that day’s sporting event as a spectator or as a player. The Principal or Administrator has the authority to amend the terms of social probation on an individual, by case basis.

*Any suspension may disqualify you from attending the end of the year trip.

Behavioral Expectations

The Dennis Township Board of Education expects students to conduct themselves in keeping with their levels of development, maturity, and demonstrated capability with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facility and equipment.

The Board of Education believes that standards for student behavior must be set cooperatively through interaction among the student, parent/guardians, staff, and community members,

producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for district and community property on the part of students, staff, and community members.

CLUBS & ORGANIZATIONS

Interscholastic Sports Programs Fall – Soccer, Field Hockey **Winter** – Basketball (Boys & Girls) **Spring** – Baseball (Boys), Softball Girls

Extra curricular activities include competitive sports teams in Soccer, Field Hockey, Basketball, Softball and Baseball. These programs are open to those students in grades 6-8, if they are not on disciplinary or academic probation.

Students with any failing grades (F's) on their report card will not be permitted to participate in our Interscholastic Sports Programs. Students suspended are automatically on social probation. This means they may not participate in any extra curricular activities during that time.

Co-Curricular Activities – Student Government, Stage Band, Chorus, and yearbook are open to students in grades 6-8.

BACKPACKS - Backpacks must be stored in your classroom or locker during the school day.

We all expect to see students taking textbooks and other study material home each afternoon. However, in recent years there has been a nationwide concern over the growing size and weight of student backpacks.

The teaching staff at Dennis Township, in an attempt to alleviate or lessen some of the physical burden has employed a variety of strategies when assigning homework/study (staggering projects/assignments by subject; staggering or alternating test/quiz dates; allowing certain tests/materials to remain at home, etc.)

ELECTRONIC & COMMUNICATION DEVICES

Electric games, audio and video equipment are not permitted on school property or on the school bus for any reason without the written consent of the principal.

Cell phones are not permitted for student use during the school day or during school sponsored events. Further, they are not permitted to be used on school buses. If a student opts to bring a cell phone to school, the phone must be placed in the student's locker during the school day and the student assumes responsibility if it is lost or stolen. Finally, a student who brings a cell phone onto school grounds agrees that the phone may be searched if there is reasonable

suspicion that administration should do so. The loss of this equipment, *for any reason*, is the sole responsibility of the student. Any electronic items found on the student's possession during the school day, during a school sponsored event, or while on school transportation will be confiscated by administration. These items will be returned to the student on the last day of school in June or at a parental conference. However, items may remain in the possession of the administration if there is a disciplinary and/or legal action pending.

PETS

No live animals are permitted in the classroom.

LOCKERS /CUBBIES

Based on the recommendation of the County Prosecutor's office and the Office of the Cape May County Superintendent of Schools, please be advised that, in order to confront and deter potential school violence and drug abuse, it may be necessary to conduct unannounced searches or inspections of lockers, desks, or other property, including items owned by students and brought onto school grounds, such as book bags, handbags, lunch boxes, etc. Utilization of such a procedure, if necessary, is designed to maintain order and discipline and to protect the safety and well being of our entire school community.

The purpose of this notice is to provide fair warning of these necessary, limited privacy intrusions to discourage students from bringing or keeping weapons, drugs, or other contraband on school grounds.

All lockers and storage areas in the school are property of the school, not the student. There is to be no expectation of privacy on the part of the student regarding lockers. As such, they are subject to searches by designated school officials. Searches will be conducted on a regular basis. This notice is provided in accordance with NJSA 18A:36-19.2.

It is one thing when inappropriate behavior on the school bus affects other children and annoys the driver. It's quite another when such behavior compromises the bus driver's skill, concentration, and overall ability to transport the students in a safe manner. Our focus is on the safe transport of our students to and from school. Because safety is non-negotiable our bus disciplinary guidelines are strictly enforced.

Bus Disciplinary Guidelines

Any behavior which compromises a driver's ability to safely operate his/her vehicle may result in:

1st Offense.....Warning, detention and/or 3 to 5 days bus exclusion

2nd Offense.....5 to 10 day bus exclusion

3rd Offense.....10 days bus exclusion with a possible referral to the superintendent for additional days off the bus.

*Additional Offenses ... Immediate suspension from the bus with referral to the superintendent for long-term suspension of bus riding privileges and/or suspension from school.

Procedures Waiting at the Bus Stop

Most accidents involving students occur either at the bus stop or while the student is crossing the road to board the bus.

- Students will wait for the bus on the side of the road on which they reside. They should not wait on the shoulder of the road but in a location where they are visible to all drivers.
- Students should not be allowed to play with balls or any other activity that may cause them to run into the street.
- Students should not start approaching the bus until it has come to a complete stop and the driver has signaled that it is safe to board the bus. Small children board first.
- Once the driver has signaled that it is clear, students should enter the bus single file, without pushing or shoving, crossing in the front of the bus in clear view of the driver.
- At no time should students run to catch a bus. We ask the cooperation of all parents to ensure their children are at the bus stop 5-10 minutes prior to the normal arrival time.
- If any student is habitually late for the bus, a conference will be set up with the parents to resolve this issue.

Transportation Requests

Special arrangements must be for a minimum five-month period. For mid-year changes, requests must be received in writing by February 1. Transportation to locations outside the township is not permitted. **No requests will be honored for daily bus stop changes except in the case of an extreme emergency. Students may not ride other buses home with friends.**

To assist us in transporting your child, please be sure he/she is at the designated bus stop at least five to ten minutes prior to the scheduled pick up time. (Beeping by the bus and waiting for children to exit their homes is forbidden).

Concerns about Transportation

Disciplinary issues on the bus will be handled by building Principal.
