PERMISSION FORM (Incoming Freshmen, Transfer and International)

Parents submit this form to the student's current school. This document gives the school permission to send the student's information to CSHM.

TRANSFER STUDENT ADMISSION

Transfer students are accepted at the discretion of the school administration. Transfer students are expected to have a minimum 2.0 G.P.A. and to be able to meet the school's graduation requirements in the normal sequence of courses.
