

Dear Business Owner,

Albany Athletics Boosters is an organization of individuals dedicated to the success of the Albany High School & Albany Middle School interscholastic athletics programs at all levels. Albany Athletics Boosters believes that a successful athletic program depends on dedicated parents, students, staff and community.

The purpose of AAB is to conduct fundraising efforts to financially support the interscholastic athletic programs at Albany High School & Albany Middle School through the purchase of equipment, supplies, uniforms and the upkeep of our facilities. AAB also sponsors recognition programs for students that participate in interscholastic sports. In addition, AAB fosters other activities that build enthusiasm and spirit.

Albany Athletics Boosters would like to promote your business at our home athletic events. All proceeds from our sponsorship program will be used to support the Albany Athletics Program.
