Minimize Loss Of Instructional Time
- Plan family vacations for non-school days only
- Schedule non-emergency medical and dental appointments after school hours on weekends or during your child’s vacation
- If the appointment must be during school hours, please have your child attend school prior to the appointment and/or return to school after the appointment to complete the school day
- Communicate often with your child’s teachers and request assignments missed during absences

*Parents, please provide a note for every Absence, tardy, and early leave!*

C.C.R. Title 5, Section 306 – A principal or teacher may require satisfactory explanation from the parent or guardian of a pupil, either in person or by written note, whenever the pupil is absent/tardy part or all of a school day.

District policy requires that all absences, tardies, and early leaves be cleared within 10 school days with a satisfactory explanation (in writing, or verbal justification).

An excused absence note may be accepted for up to four consecutive days when the absence is attributed to illness. For absences attributed to illness for five or more consecutive days, the school nurse or designated staff member is to be consulted. The student must be cleared to return to class by the school nurse or designated staff member.

The excessive use of unverified parent notes may result in the school requesting additional documentation for all future absences.
