

## **Special Use of School Buses**

### **Field Trips**

School transportation equipment may be used for field trips insofar as this does not interfere with regularly transporting pupils to and from school. All field trips must have an educational standard and must be approved by the schools administrator.

### **Activity Trips**

School-owned vehicles will be used for activity trips.

### **General**

Persons not affiliated with the schools, except authorized sponsors or chaperones, will not be transported.
