

It is with great joy that I send Season's Greetings to the entire Penn-Lincoln family. This has been a wonderful and exciting year so far at Penn-Lincoln Elementary. All of the students have been working hard and certainly are ready and have earned a little time off from school. Our entire staff, from the cafeteria monitors to the teachers are an extremely dedicated and caring people willing to do anything for our students. I certainly feel privileged and honored to be able to work in such an amazing school. Everyone plays a role in helping to make Penn-Lincoln the best school for children to learn and grow.

I want to thank you for allowing me to be a part of your child's life. I am so grateful for the input and trust that exists between our school and our families. I never take for granted the opportunity and the great responsibility I have to help all children grow and learn while at school. It makes my day when I see our students smiling, laughing, and enjoying themselves in this safe and caring school.

This is the time of the year for rejoicing and for rededication. I truly hope you are able to spend time with those people in your life that mean the most to you.

Happy Holidays and Best Wishes for the New Year!
