

SCHOOL HOURS-2017/2018

Please see the schedule below: Students will follow the normal recess bell procedures, line up and then walk to class with their teachers.

Please be sure your child arrives **PRIOR** to the tardy bell so they are prepared to begin class promptly. Students are allowed to come on campus 15 minutes before school begins, however to ensure student safety, please do not drop off students prior to this time, unless they have breakfast at school and pick up students promptly at 2:40 pm, unless they attend Bright Futures after school program.

Grover Beach City Park: Adjacent to the school grounds is a beautiful city park. Students **must** return home before visiting the park in order to ensure parents know their child has returned home safely. Student safety on the way to, and from, school is our concern, and therefore we require all students to go home to check in with an adult, drop off school items, and be sure the school grounds are cleared before returning to play at the park.

Transportation: Grover Heights is a non-transport school which means we are a neighborhood school with students either being driven or walking to school. The only students who are being bussed are from the three Special Education classes we have on campus.

If you are a family with a student in Special Education, please check with Transportation (805-474-3100) for your individual pick and drop off times.

Bright Futures: Before and after school program through the Boys & Girls Club located here on campus. You can contact them at 805-474-3700 ext. 7039.
