

**Career Go~Get~It Week**  
**March 2~6, 2015**  
**Beltline Elementary School**  
**Software Design Academy**

**Daily-** Each day a College/University will be highlighted on the morning announcements detailing the special programs offered.

**Monday-** Follow your dream... Students will be instructed to brainstorm and create a list of interesting careers. Students will create a KWL foldable in their homeroom class for their chosen careers in order to jump start their research.

**Tuesday-** Students will select a career of choice to research. Students will be given a Career Exploration worksheet to aid in their research.

**Wednesday-***Believing is Achieving.* Grades 2-5 will dress for success by wearing clothes that represent their career of choice. We will have guest speakers throughout the day visiting our campus. *(Guests speakers will be comprised of parents and members of the community)*

**Thursday-** Students will be instructed to reflect on the previous day's guest speakers and complete their KWL Chart.

**Friday-** My Dream Career...We will conclude our week with Justus L. Clark, poet, author and publisher. He will speak to our students and share some of his published work...
