

We are leaving.... What are the dates that we can leave and still get grades?

Students must be in school 20 days out of the quarter to receive grades... April 25th is the 20th day of the 4th quarter.

Before April 13th - Report card / progress report given as usual for a student leaving mid quarter. Students are expected to enroll in school at their new location to complete the school year.

April 17th through April 28th - Student will be given a report card with grades up to time of departure with a recommendation of promotion or non-promotion based on anticipated final grades

The assumption is that a student will enroll at their new school before the end of the year. If the student does not enroll, it will be up to the receiving school to determine promotion or non-promotion.

May 1 - May 26 - Student will be given a report card with grades for the school year with an indication of promotion or non-promotion. Promotion is based upon his/her achievements and effort up to the date of release.
