RE: Vans Custom Culture 2018

TO: Parents

FROM: YPI

I am pleased to share with you that after applying, our After School School Program at Los Angeles International Charter High School has been selected to compete in the 2018 Vans Custom Culture Competition, a shoe customization contest. Our School/After School Program is one out of 500 schools competing for the grand prize of \$75,000 towards our art program.

Please announce and encourage our students to be part of this great opportunity. YPI Art Club will be meeting after school from 4pm-5pm in Room 6 to design and decorate the blank Vans shoes. All students are welcome to participate and can see Miss Dana for any questions or concerns.

Please feel free to contact me, Ms. Jessica Silva-YPI Site Coordinator for any additional questions and or concerns.

Cell (818) 331-8264 or lainternationalhs@ypiusa.org
