

READ & RESPOND FORM: WINGS 2.1-MS

There are 5 spaces for students to complete Achieve3000 articles, if they choose. Please encourage your child to properly capitalize the article title and write what they learned in a clear, complete sentence. We are also asking that students only record articles/activities in which they earned 75% or higher on the first try. Students are not required to complete the Thought Question, but do need to indicate whether or not it was completed as part of his/her response.

Achieve3000

1	article title:	1 st try:	2 nd try:
	What did you learn from this article?	_____%	_____%
		thought question?	
		yes	no

There are also 5 spaces for students to track Lexia usage. After your child completes a session, he/she will look at the student dashboard (home screen) and record the number of units completed.

Lexia – Track the number of units you have completed each day.

day 1	day 2	day 3
_____	_____	_____
units	units	units

On the other side of the form, you will find 5 spaces for students to respond to books, magazines, cookbooks, manuals, textbooks, or other texts. Like the Achieve3000 articles, please encourage your child to properly capitalize the title and respond in a clear, complete sentence ... or two. The questions vary in entries 1-3.

Books and other texts

1	title:	genre:
	What did you learn from today's reading?	
		<input type="checkbox"/> narrative <input type="checkbox"/> expository <input type="checkbox"/> functional <input type="checkbox"/> poetry
