**(Tuition Assistance, Incentive Program, & Technology)**

Dear Parents,

Thank you for waiting patiently while we work on our school tuition information for the 2018-19 school year. Please know that we have been working very hard to ensure that we are careful stewards of the money that is entrusted to us to help bring children and families to a deeper relationship with Jesus Christ and to provide an outstanding education to every student.

I am happy to tell you that we will not be increasing tuition or registration for the 2018-19 school year. This tuition rate is one of the best in the entire Diocese of Orange! The tuition and fee amounts are found below. A complete tuition sheet and intent to return form are in today's family white folder.

There are a few programs that will be modified, including Tuition Assistance, our Technology Program, and a new incentive program. In order to present these programs and answer any questions you may have, we will have a **Parent Information Night on Wednesday, April 25<sup>th</sup>, at 7:00pm in the Hall.**

Please join Fr. Paw and me for this one-hour meeting. At that time, we will have all the information you need to apply for Tuition Assistance.

May God bless you always and in all ways.

Dr. Joan Bravo
