**Director, Special Education**

### Principal's Message

Lopez High School (LHS) is the only Continuation High School in Lucia Mar Unified School District and provides an alternative learning environment for students who have not been successful in the comprehensive environment and are at risk of not graduating. This can be expressed by each student's credit deficiencies, truancies, need for an alternative learning environment, or demonstration of other patterns that slow down or negatively affect their school career. LHS continues to maintain a record of positive educational achievement and provides an educational setting in which students can experience success and is also an excellent setting for the student in need of a smaller, more individualized school program. Lopez staff continues to evaluate our own site for areas of improvement. In recognition of our outstanding program, we received a six-year accreditation from the Western Association of Schools and Colleges (WASC) with the highest award possible. The WASC accreditation offers a certification to show the public that our school is a trustworthy institution of learning and validates the integrity of our programs and transcripts. Lopez High School also has the distinguished recognition as Model Continuation High School from 2014-2017. The school has reapplied and been recommended for the Model School recognition for the upcoming years as well. Both honors required a site visit and review by chairpersons for those recognition agencies; and Lopez was once again highly rated. We are very proud of these accomplishments continue to demonstrate to our district and and community that we are doing an excellent job providing a quality education for our students. Lopez staff is committed to the success of our students and work closely together as a team to provide rigorous educational experiences, counseling, and educational support.

The LHS schedule, credits, and graduation requirements reflect post-high school, 21st Century Skills, and career education. The career component is a graduation requirement, and a review of that project (known as CAPSTONE) finds that the students leaving Lopez are well prepared for post-secondary education, have qualifying job readiness skills, and a valid understanding of life after high school. LHS strives to improve our program each year by working to improve the educational experience and success rate of all of our students. In planning improvement areas for our school, we use the SPSA, our WASC Action Plan, District and Board goals, and various student assessment data as guidelines for improvement areas. Recently due to additional community college and state requirements, LHS will be offering students letter grades as well as credits. We recognize the need for students to leave LHS with a qualifying grade point average.

Demographic information also shapes our decision making. One interesting note is that, no matter how many students are attending LHS in any given year, the percentage of students who are low-income is always around 70+%. We use this information when planning and discussing with staff, parents, students, the school board and community collaborators, how to best meet the needs of our student population. We have adopted a School-Wide plan approach to the expenditure of federal and state dollars. This means that our whole school is considered Title I and all students benefit from anything that we do with our dollars. This plan represents a comprehensive reform strategy designed to improve the entire school and provide a unified approach to improving student achievement. In that way we believe we will better address the needs of every student here at LHS.

Lopez High School continues to implement Common Core Standards, as well as 21st Century Learning Skills. Our school uses CAPSTONE to make sure that our students are all practicing to be an effective communicator, a complex thinker, a self-directed learner, a quality producer, a collaborative learner, and a responsible citizen. Core curriculum delivery models provide individualized instruction with frequent one-on-one and small-group student and teacher interaction to meet the needs of each student. Our class sizes are a maximum (15:1) LHS students attend on a voluntary enrollment basis, and Lopez is open to any student in Lucia Mar Unified School District who is 16 years of age or older, or turning 16 within the semester they apply. Our current demographic composition is 47% White, 47% Hispanic, 1% African American, 3% American Indian, Asian, Filipino combined, and 2% multi-ethnic. Instruction at LHS takes place during four traditional nine- week quarters over the course of a school year. Students attend a core 3.75 hour session in the morning (8:00 to 11:45 AM) and are able to attend a PM intervention and/or elective session (12:15 - 2:30 PM) if needed. Another alternative offered is Lopez Independent Study. Students must be approved through an Alternative Education Panel and be on track to graduate, be able to work independently, have a positive school relationship, and show reason for needing an ISP placement.

All students attending Lopez High School must complete the district graduation requirements for our school. Total number of credits needed to graduate from Lopez is 210 plus CAPSTONE, which replaces 25 credits of electives. It is the goal of LHS to provide the support students need in order to experience success and meet those requirements. The school makes every effort to ensure that the curriculum is accessible to all students. Through our categorical funding, we have added support programs and staff to address the needs of students who are struggling academically or personally. For students who are struggling with language arts and mathematics, we have focus classes in reading, writing and mathematics with curriculum supporting remediation of basic skills. Small group tutoring is also available for students who need assistance in reaching grade level outcomes. English Language Learning support is specifically targeted to our identified students in all classes and staff have received training on strategies to support ELL students to be successful in school.

Another service available is our Resource Specialist who provides support for students with Individual Education Plans (IEP's) and 504 Plans. Counseling services are considered critical because a high percentage of the students at Lopez are struggling with issues outside of school. Our full-time school counselor provides intensive personal, career, and academic counseling to students on a daily basis. We also have two additional counselors in place to help meet the emotional needs of our students. LHS employs additional counseling specialists, who works with students individually or in small groups throughout the week. Lopez High School also has the "Hands On Parenting Education"(HOPE) program on campus, which supports pregnant and parenting teens to remain in school and graduate through individualized instruction and parent education classes. The Community Actions Partners (CAP - formally EOC) provides childcare services and training. These services are provided for any district student, but the childcare, child development courses and case management team are housed on the LHS campus, where the majority of pregnant and parenting teens attend classes.

It is truly a privilege to be part of this incredible team of professionals, teachers, and support staff. We have a strong offering of the core academic classes, as well as additional classes such as Link Crew, Digital Art, Work Experience, and collaborative classes with Cal Poly and Cuesta which help increase students' ownership of their own success. This staff continues to implement creative ideas and programs to benefit the Lopez High School student body. We work at making a difference in our students, but couldn't do it without the support of the parents and the community. We invite you to be involved in your child's education. We extend an open invitation to you to join us in a partnership for the benefit of our students who deserve the best we have to offer them. Visit, become a part of school site council or parent groups, attend awards nights, schedule conferences, chaperone field trips, and make appointments with teachers, the counselor, or the principal. We want you to be and feel a part of the excellence of this high school.

#### **School Mission Statement**

The mission of Lopez High School is to ensure all students acquire the knowledge, skills, and attitudes essential to become productive members of society.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 10	4
Grade 11	28
Grade 12	84
<b>Total Enrollment</b>	<b>116</b>

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	0
American Indian or Alaska Native	0.9
Asian	0
Filipino	0
Hispanic or Latino	48.3
Native Hawaiian or Pacific Islander	0
White	46.6
Two or More Races	4.3
Socioeconomically Disadvantaged	64.7
English Learners	12.9
Students with Disabilities	17.2
Foster Youth	0

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Lopez Continuation High School	15-16	16-17	17-18
<b>With Full Credential</b>	11	11	11
<b>Without Full Credential</b>	0	0	0
<b>Teaching Outside Subject Area of Competence</b>	0	0	0
Lucia Mar Unified School District	15-16	16-17	17-18
<b>With Full Credential</b>	♦	♦	523
<b>Without Full Credential</b>	♦	♦	18
<b>Teaching Outside Subject Area of Competence</b>	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Lopez Continuation High School	15-16	16-17	17-18
<b>Teachers of English Learners</b>	0	0	0
<b>Total Teacher Misassignments</b>	0	0	0
<b>Vacant Teacher Positions</b>	0	0	0

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)**

Lucia Mar Unified School District held a public hearing Sept. 19, 2017, and determined each school within the District has sufficient and good-quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams v. the State of California. All students, including English Learners, are given their own individual Standard aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education. Lucia Mar Unified School District follows the State’s seven-year adoption cycle. Auxiliary materials, such as math manipulatives, trade books, and science kits, are also purchased to support the textbook adoption.

<b>Textbooks and Instructional Materials</b>	
<b>Year and month in which data were collected: 2016-2017</b>

Note: Cells with N/A values do not require data.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Lopez High School provides a safe, clean environment for learning. Built in 1997, Lopez High School is situated on five acres. The school buildings span 20,417 square feet, consisting of facilities for physical education, science, art, computers, and staff work. The facility strongly supports teaching and learning through its ample classroom and recreation space. The campus entrance was re-designed for site safety, and changes completed in Summer of 2017.

Lopez Continuation High School is a closed campus. Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check-in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, adults supervise students and school grounds, such as the quad and recreation area, to ensure a safe and orderly environment.

Safety concerns are the No. 1 priority of maintenance and operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District maintenance staff has indicated that 100 percent of all toilets on school grounds are in working order. A recent inspection by the fire department noted that Lopez High School has no violations or fix-it issues.

A team of custodians ensures classrooms, campus grounds, and restrooms are kept clean and safe. A scheduled maintenance program is administered by Lucia Mar Unified School District to ensure that all classrooms and facilities are well maintained and provide a suitable learning environment. A summary of these standards is available at the school office or at the District office.

**School Facility Good Repair Status (Most Recent Year)**  
Year and month in which data were collected: 7/6/2017

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Good	Fair	Poor		
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	X				
<b>Interior:</b> Interior Surfaces	X				
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	X				Room 302: 5) Cluttered
<b>Electrical:</b> Electrical	X				
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	X				
<b>Safety:</b> Fire Safety, Hazardous Materials	X				
<b>Structural:</b> Structural Damage, Roofs	X				Room 105: 13) Stained ceiling tile
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	X				
<b>Overall Rating</b>	<b>Exemplary</b>	<b>Good</b>	<b>Fair</b>	<b>Poor</b>	
	X				

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
<b>Science</b>	25	22	53	55	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
<b>ELA</b>	21	24	50	52	48	48
<b>Math</b>	4	2	37	37	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**2015-16 CAASPP Results by Student Group  
Science (grades 5, 8, and 10)**

Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
<b>All Students</b>	11	9	81.8	22.2

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	61	33	54.1	24.24
<b>Male</b>	33	19	57.58	21.05
<b>Female</b>	28	14	50	28.57
<b>Asian</b>	--	--	--	--
<b>Hispanic or Latino</b>	29	19	65.52	15.79
<b>White</b>	29	12	41.38	41.67
<b>Two or More Races</b>	--	--	--	--
<b>Socioeconomically Disadvantaged</b>	47	28	59.57	28.57
<b>English Learners</b>	15	9	60	11.11
<b>Students with Disabilities</b>	--	--	--	--
<b>Students Receiving Migrant Education Services</b>	--	--	--	--
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
<b>All Students</b>	61	52	85.25	1.92
<b>Male</b>	33	29	87.88	3.45
<b>Female</b>	28	23	82.14	0
<b>Asian</b>	--	--	--	--
<b>Hispanic or Latino</b>	29	26	89.66	3.85
<b>White</b>	29	23	79.31	0
<b>Two or More Races</b>	--	--	--	--
<b>Socioeconomically Disadvantaged</b>	47	41	87.23	2.44
<b>English Learners</b>	15	14	93.33	0
<b>Students with Disabilities</b>	--	--	--	--
<b>Students Receiving Migrant Education Services</b>	--	--	--	--
<b>Foster Youth</b>	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement (School Year 2017-18)**

Lopez continues to look for ways to include parents in the Lopez community. Each year, more parents are becoming involved with School Site Council. Lopez hosts a pre-Back-to School Night where we invite families out before the start of the new year for dinner, to welcome new students, go over rules, invite families to access HomeLink, and just socialize and get to know our community. Lopez also hosts three all family potluck and awards nights each year where we try to recognize as many students as we can for the positive impact they have in their classes and in school. We also host a Senior Scholarship night with our community partners and families. We have upgraded and are active on Facebook and Instagram. Our website is updated daily, so parents can check out the website for important information on a regular basis. We will also be inviting small groups of parents to visit Lopez during the day, just to give them an insight into all the great things that are going on at LHS. We will visit classrooms, help them get set up with HomeLink and Facebook, and answer any questions they may have.

Parents who wish to volunteer or participate in Lopez High School's committees and school activities may contact Jennifer Bowen at: jennifer.bowen@lmusd.org or 474-3750.

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### **School Safety Plan**

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The Plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their Safe School Plans: current status of school crime; child abuse reporting procedures; disaster procedures, both routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a schoolwide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The Injury, Illness & Prevention Plan was last updated and reviewed with school staff in October 2017.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	1.98	4.21	5.85
Expulsions Rate	0.5	0	0
District	2014-15	2015-16	2016-17
Suspensions Rate	3.33	3.27	3.25
Expulsions Rate	0.24	0.23	0.18
State	2014-15	2015-16	2016-17
Suspensions Rate	3.79	3.65	3.65
Expulsions Rate	0.09	0.09	0.09

#### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status	Not in PI	In PI
First Year of Program Improvement		2010-2011
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement		12
Percent of Schools Currently in Program Improvement		85.7

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	1.000
Counselor (Social/Behavioral or Career Development)	1.2
Library Media Teacher (Librarian)	.4
Library Media Services Staff (Paraprofessional)	0.000
Psychologist	0.000
Social Worker	0.000
Nurse	0.200
Speech/Language/Hearing Specialist	0.000
Resource Specialist	0.800
Other	
Average Number of Students per Staff Member	
Academic Counselor	200

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
English	8	8	10	19	19	24						
Mathematics	9	9	7	9	9	7						
Science	8	8	10	10	10	7						
Social Science	6	6	7	15	15	12						

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## Professional Development provided for Teachers

Lucia Mar invests time and resources to ongoing, district-wide staff development in key initiative areas aligned to district goals to increase student achievement and support school improvement. During the 2016-17 school year, our professional development focused on California Common Core State Standards, 21st Century Skills, PBIS, and best practices in instruction.

Professional development opportunities are provided in a variety of ways — one district-wide staff development day, PD meetings on Fridays, staff meetings, release time, Saturday trainings, and summer institutes.

In the 14-15 school year LMUSD created a research driven professional development model. Each school site has a Late Start Monday, an Instructional Leadership Team comprised of teachers and administrators, and a Teacher Support TOSA. The combination of these three has resulted in high quality, weekly professional development..

Lopez High School has a different calendar than the traditional high schools allowing our staff to meet for staff and professional development 3 Friday afternoons per month. We also have a teacher support TOSA who provides quality professional development pertaining directly to our unique student population.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$44,664	\$48,522
Mid-Range Teacher Salary	\$63,972	\$75,065
Highest Teacher Salary	\$86,745	\$94,688
Average Principal Salary (ES)	\$107,672	\$119,876
Average Principal Salary (MS)	\$106,271	\$126,749
Average Principal Salary (HS)	\$122,290	\$135,830
Superintendent Salary	\$190,000	\$232,390
Percent of District Budget		
Teacher Salaries	39%	37%
Administrative Salaries	5%	5%

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

## Types of Services Funded

Lucia Mar offers a comprehensive range of programs and services to support student learning. A strong core curriculum is taught by highly qualified teachers. Student learning is monitored closely. Proficient and advanced students are challenged to master skills at the highest levels. Students not yet proficient are supported with additional time and instructional support. Academic support is provided during the school day and after school. Social and emotional support is provided to eliminate barriers to academic success.

### Academic support services:

- Standards-based instructional materials
- New teacher support
- Staff development
- Intervention programs
- Intensive instructional services

- English language development
- Title I, Response to Intervention
- Students with disabilities
- After school programs

### Social and emotional support services:

- Counseling support
- Intensive counseling services
- Mental Health early prevention

- Safe Schools
- Referrals to Community Agencies

Comprehensive academic and social support services enable Lucia Mar students to achieve at high levels in school and life.

Foster Youth	0	100	68.19

### Career Technical Education Programs

The Board of Education realized that students have varying academic interests and aptitudes, and that they need to be better prepared for options other than a four-year university directly from high school, particularly in light of the rapidly changing workforce technology and employment environments in many industry sectors. Therefore, the Board of Education sought to support Programs of Study to ensure that all students graduating from the Lucia Mar Unified School District have the preparation necessary for success in any post-secondary pursuit, whether it is university studies, technical training, workforce placement, military enlistment, or service as a community volunteer.

As vocational education evolved in the 21st century, it became known as Career Technical Education (CTE). Business owners, trade union leaders and educators came together to change how occupational and technical subject matter were delivered in high school, college and technical training environments. This resulted in the need to develop robust and rigorous curriculum provided in a cyclical continuum that engages participants in the most common tasks and skills required in a broad umbrella of employment opportunities within a specific industry sector. High School Career Pathways provide the first three years of instruction and skill development in this scenario.

Pathway programs in LMUSD are designed so that students are able to gain at least one industry certification, or equivalent skill measurement, to provide a competitive advantage in the job market. Additionally, curriculum will coincide with community college career certificate and associate degree programs in same/similar industry areas and in some cases allow students to earn college credit for their coursework while still in high school. This will shorten the time it takes students to earn post-secondary degrees/certificates and enter the skilled workforce. The California Department of Education gives guidance for the design of model CTE programs in their plan for Career Technical Education, which was adopted by the State Board of Education in 2008.

The same quality program indicators were taken into consideration during the development of career pathway programs of study for LMUSD. Specifically, during the 2012-13 school year, the focus of pathway preparation has been on assessing current programs and facilities, establishing relationships with industry members and assembling advisory committees for new programs, reviewing and developing curriculum, reviewing instructor training needs, determining outreach/communication needs, and researching funding options for new and existing pathway programs.

During the 2016-17 school year, the Director of CTE spent time with teachers in their classrooms to discuss curriculum, facility and equipment needs for individual classes, as well as overall pathway programs. Teachers also attended workshops regarding pathway development and philosophy, which included California State CTE Frameworks and standards, as well as funding legislation that affects the structural make up of CTE programs. This established a baseline from which to support current programs that are functioning well, retool programs that have minor areas of weakness, build out viable pathways from programs that currently function as a single course, and establish new programs where programs do not exist but there is a regional workforce need.

Several CTE programs participate in Career Technical Student Organization activities and competitions through the Future Farmers of America (FFA) and SkillsUSA. The Culinary Arts, Agriculture, Design, Visual, Media Arts, and Animation programs all had regional contest winners, who competed in the various categories at the state level. The Animation team came in first place at the State Skills USA competition and competed at the national level for the fourth year in a row.

Students also earned industry certification in the culinary arts program by successfully passing ServSafe and Food Handlers Certification, an industry standard, which will help students in their search for employment. Additionally, students in Sports Medicine and Public Safety Pathways earned CPR Certifications. We hope to expand internships and industry certification to other pathways.

**ARROYO GRANDE HIGH SCHOOL**

- Ag Mechanics
- Animal Science
- Architecture & Engineering
- Automotive Technology
- Construction Technology
- Hospitality & Tourism
- Ornamental Horticulture
- Design, Visual & Media Arts
- Sports Medicine
- Technical Theater

**NIPOMO HIGH SCHOOL**

- Ag Mechanics
- Criminal Justice / Public Safety
- Sports Medicine
- Product Innovation & Design
- Ornamental Horticulture
- AgriScience
- Animal Science

**CENTRAL COAST NEW TECH HIGH**

- Software & Systems Development
- Design, Visual & Media Arts

**Addressing the CTE needs of all students**

All ninth-grade students have the opportunity to take a “Skills for Success” class and meet with career counselors where they identify personal interests, explore career options, develop academic plans, and learn about post-secondary educational and training opportunities. Students may develop advanced skills and receive industry-standard training by participating in the various vocational/technical courses at all sites. These courses prepare students for future college coursework and entry-level job opportunities.

**Evaluating CTE Programs**

Each CTE Pathway maintains an active advisory board that evaluates the program. In addition, school administrators monitor the program and instructors effectiveness on an annual basis. All CTE Pathways require a three-course articulated curriculum that will meet job market expectations.

**Career preparation courses offered at Arroyo Grande High School include:**

- Advanced Automotive
- Advanced Culinary / Event Planning & Catering
- Advanced Media Arts
- Ag Biology
- Agriscience Mechanics
- Animal Science
- Architectural Design
- Architecture, Engineering, and Animation
- Athletic Training
- Automotive Technology
- Automotive Technology Co-op
- Computer Animation
- CAD - Computer Aided Drafting
- Creative Media Arts
- Culinary Arts - Intro
- Energy Technology
- Environmental Horticulture
- Floral Design
- Green Construction
- Sports Medicine
- Technical Theater
- Theater Productions
- Vet Science
- Viticulture

**Career preparation courses offered at Nipomo High School include:**

- Ag Biology
- Ag Chemistry
- Animal Science
- Athletic Training
- Criminal Justice
- Criminology & Abnormal Psychology
- Environmental Horticulture
- Floral Design

- Interdisciplinary AgriScience
- Intro to Medicine
- Intro to Product Design
- Public Safety
- Sports Medicine
- Vet Science

**Career preparation courses offered at Central Coast New Tech High School include:**

- Advanced Computer Science
- Advanced Graphic Arts
- Computer Science
- Creative Media Arts
- Game Design
- 3-D Design

**Pathway Graduation Requirements**

Students must select and complete a set of courses in a pathway as part of the requirements for graduation, beginning with the class of 2016.

**Pathways include the following:**

- College/University (A-G requirements)
- College/Career (Three integrated CTE courses in the specific industry sector)
- Individual (A specific set of courses that are not contained in the structure of the University or Career Pathways but must be met for graduation)

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
