

Freshlunches Emergency Walk-Up Program

At Freshlunches, meals are made custom to your order. However, we know that emergencies do arise and we want to help. As a convenience, we can place your credit card on file and should the need arise for any reason, Freshlunches will be able to provide for your child a walk-up lunch. The cost for a walk-up lunch is \$11. After your child requests a lunch, your credit card on file will be billed directly. Quantities are limited and are not meant to be offered as an option to pre-ordering. Please complete and submit this form by the start of the school year.

If your student requests a lunch without a credit card on file, payment information will be requested from you the same day. If payment is not received after 3 walk-up lunches, our Freshlunches service will not be available until payment is received in full.

Please fax the completed form to 818-885-1764 or Call our office at 818-885-1718
