February 19, 2018

Dear Hartford Families,

On Sunday, the District received reports of a suspicious post made on social media by a student. In response, we immediately contacted law enforcement to investigate the post. After an investigation, my administrative staff, police, and I have found no merit to this online post. To ease any concerns, there will be a police presence on Tuesday.

This is an opportune time to discuss this situation with your children and emphasize that there are severe consequences of such actions, even if the comment is made in jest. Please remind your children about the importance of reporting any suspicious or potentially threatening activity to an adult as soon as possible. Please know, our community and school families play a critical role in our school safety.

We understand situations such as this are concerning to parents, students, and the community. We want you to be aware that the administration of Hartford Public Schools has exercised extreme diligence and taken all proper actions required by law and in the best interests of our students and our faculty. We will continue to work in partnership with law enforcement to maintain a safe learning atmosphere at Hartford Public Schools. We are grateful for the cooperation and assistance of the Hartford Police Department.

If you have any other questions or concerns, please feel free to contact me at 621-7000.

Superintendent,
Andy Hubbard
