Spring Song

My eyes can see it
springtime, it's
springtime, it's
springtime.
My eyes can see it's
springtime, the grass
is so green!
The green grass, the
flowers, the sunshine
and showers.
My eyes can see it's
springtime, and I am
so glad.
My ears can hear it's
springtime, it's spring
time, it's springtime.
My ears can hear
it's springtime, the
birds sweetly sing.
The birds sing, the
lambs bleat the frogs
croak, the bees buzz.
My ears can hear it's
springtime, and I am
so glad!
My body can feel it's
springtime, it's
springtime, it's
springtime.
My body can feel it's
so warm.

This week students will learn about the letter i and insects. Students will learn a song about the body parts of an insect. We will also discuss what insects eat and the types of homes they have. Please remember to continue to have your child practice writing their first and last name and to practice their breakfast/lunch number. This is to help prepare them for Kindergarten.

Ms. Jayme, Ms. Annette, Ms. Crissy

**Polar Bear, Polar Bear,
What do you hear?**

I hear a lion roaring in my ear...

What types of animals live in the zoo?
We have lots of fun animal activities planned for the week.
I will be sending home visit sign up forms with your child in his or her folder.
Please return them to me ASAP so you can get your preferred time!

Ms. Heather, Ms. Laura

We have had a great time sharing our stuffed animals. This week we will talk about farm animals. The children will sort farm, zoo, and pet animals in the science center. Please remember to wear tennis shoes on Thursdays!

Ms. Nancy & Ms. Debra

This week we will move from pets to farm animals. We will look at farm families and the different names of the mother, father and baby animals. In the motor room we have been practicing jumping using a jump rope. If you create an Easter Basket for your child, this might be a nice addition.

Ms. Virginia , Ms. Jenna Ms. Breeanna

Oh, what fun animals can be! We sang Old MacDonald last week and learned about the many animals on a farm. This week we will learn the letter z with Mr. Z and his "zipping zippers" as we explore zoo animals.

As the weather begins to warm and the short sleeve shirts and shorts are brought out please remember to send your child with a light jacket. Outside weather, especially in the mornings, can be rather chilly as well as the air conditioned air inside.

Ms. Linda, Ms. Shannon, Ms. Tara

This week we will continue our unit on animals and their habitats. We will include farm animals this week. Ask your child what their favorite farm animal is.

The letter of the week is Z. We will continue to work on the letters T, X, S, and R, the number 9, the color purple and the oval shape.

Our library day is on Tuesday.

Remember to bring back your book in order to check out another. Motor room day is on Wednesday. Please have your child wear tennis shoes on that day.

The weather is very unpredictable this time of year. Please make sure your child has the appropriate outerwear.
