

Mr. Sandor
Art 2
Syllabus

Art 2 is a class that will be an advanced insight to visual art. The students that are participating in Art 2 will learn how to dive into more complex ideas with the materials and elements and principles of art and design. All students that actively participate in the course will learn to work with the following mediums:

Pencil
Charcoal
Pen
Acrylic Paint
Watercolor Paint
Tempura Paint
Clay

Students will also be learning the more complex concepts that come with working the supplies and learning about the elements and principles of art and design that make a complete artist. This means that students will be challenged with doing more than just simply experimenting with the supplies; the students will be given task that show case their understanding of the elements and principles of art and design that showcase the talent the student will be gaining over the course of the Art 2 class.

Students will also learn to discuss and write about their own art as well as the creations of other artist, this allows a deeper understanding of the material covered in the class.

An Art Fee of \$20 is asked of all students to help cover the cost of other materials such as: specialized paper, canvas, clay, glazes for clay, paints, etc. This fee will allow for a lower cost as Mr. Sandor is able to get better deals through vendors for the art room

Students are expected to show up on time, prepared, and willing to complete the task for the day.

Students will need the following for the class:

Sketchbook (this could be as simple as a two-pocket folder with blank copy paper, NO LINED PAPER will be accepted)

Pencil
Eraser

Rules for the Classroom:

- 1. Be quiet when Mr. Sandor is giving instruction**
- 2. Respect the materials and the classroom**
- 3. Return all materials after use**
- 4. Respect your own and others art pieces**
