

VAAS ESBMM Hall Pass Policy:

- Students must fill out the Hall Pass before leaving the room.
- Students must place their student ID on the lanyard before leaving the room.
- Only one student may use the Hall Pass at a time (one pass/one student).
- Students will use the hall pass responsibly or be subject to the VAAS Tiered Discipline policy.
- Students will never use anything other than the assigned lanyard as their classroom hall pass.
- Students are to return to class after a reasonable amount of time and not make side trips to the vending machines, a friend's class, their lockers, or an entirely different floor. This could result in being put on the **“NO PASS”** list.
- Students will not leave the room if the hall pass has "gone missing". An escort will be sent.
- Students are solely responsible for the pass when they take it out.
- Students on the **“NO PASS”** list who have abused their privileges will be escorted to the restroom.
- Students will not use the Hall Pass during the first or last ten minutes of the period.
