

School Health Advisory Council (SHAC)
Bluebonnet Room – 5:00 p.m.
November 9, 2017
MINUTES

Meeting was called to order by Ms. Alexandra Molina. She welcomed community members and parents in attendance. Agenda was reviewed and subcommittee reports. Minutes from October 12th meeting were not available for approval so item was tabled.

Under Old Business, members were asked to recruit and seek out middle school and high school students to attend meetings to provide guidance and directions as end-users.

Under New Business, Ms. Alexandra Molina provided a Food & Nutrition report. There were no other subcommittee reports since other subcommittee directors were out a town. Discussions were held regarding changing meeting time to 5:30 pm to allow students and parents more time to arrive to meeting on time. Would like to continue SHAC meetings (minimal 4 times a year) but sub-committees meetings more frequently to maintain interest of membership

- Topics of interest that would like to address this year:
- Human Growth & Development Curriculum
 - Nutrition education of alternate menus (Diabetic, Vegetarian)
 - LGBT and staff training

Action Items prior to next meeting: meeting date for February sent to entire membership along with minutes from the October 12th and November 13th for review. It was recommended for Subcommittee directors to reach out to membership to establish meeting calendar for the rest of the year.

Minutes provided by Ms. Alexandra Molina

2017-18 SHAC MEETINGS
