

NEW HAVEN UNIFIED STRATEGIC VISION

WE BELIEVE THAT:

- all people have equal worth;
- all people can and do learn throughout life;
- all people want to learn and succeed;
- the human capacity to learn is limitless;
- individuals are responsible for their choices and actions;
- integrity is essential for building a relationship of trust and respect;
- hard work is necessary for people to achieve their full potential;
- high expectations bring higher results;
- a safe and caring environment is essential for people to thrive;
- diversity is an asset which enriches and strengthens our community;
- the family experience is the primary influence in the development and learning of a child;
- a quality education expands opportunities and empowers individuals throughout life;
- education is the shared responsibility of the entire community;
- public education is essential to a democratic society.

VISION: High quality education for ALL students. ALL employees are Responsible for the Education of ALL Students.

MISSION

The mission of the New Haven Unified School District, a partnership of students, families, staff and our richly diverse community, is to develop and empower EVERY student to be a productive, responsible and successful global citizen by creating an exemplary, inclusive educational system characterized by a safe, caring learning environment and a challenging, comprehensive curriculum that ensures academic proficiency.

EXPECTED OUTCOMES

- Every student will graduate college and career ready.
- We will have equitable outcomes for all students being served.
- All students will develop and consistently demonstrate the character attributes of a productive, responsible and successful citizen.

PARAMETERS

- We will only accept behavior that promotes the self-worth and dignity of any individual or group.
- All new programs or services will be consistent with the strategic plan, benefits clearly justify costs, and provisions are made for ongoing professional development and program evaluation to be accepted.
- School plans will always be consistent with the strategic plan of the system.
- We will practice fiscal responsibility as we implement the strategic plan of the system.
- We will always provide a well-balanced academic program that includes the arts and physical education.
