

# Vision Needs and Fairfield's School-Based Health Center

Medical, Vision, Dental, and Behavioral Health providers all in one convenient location

**Did you know...** Vision screening should occur annually between the ages of 3 and 6 years old and every 1-2 years after the age of 5?

Financial barriers often result in a child not receiving proper eye care. **If you or your child has not received an annual eye exam, contact Fairfield's School-Based Health Center!**

The staff at Primary Health Solutions will work with you and your family to establish an affordable vision plan to meet your families needs.

Guadalupe Sanchez receives her first pair of glasses from Dana Meeks, Primary Health Solutions Optician.
