Dear Hawthorne Families,

Welcome to 2017 -2018 school year at Hawthorne High School Cougars! For those returning, welcome back, and for our new students ...we're happy you chose to join our family!

Our theme for this school year is OPPORTUNITY! In addition to all of programs and activities we currently offer at Hawthorne, we are committed to preparing you to take advantage of the opportunities that lie ahead of you beyond high school.

Hawthorne offers students so many ways to be involved and prepare for college and career, no matter your interests we have a place for you. We have outstanding athletics and activities programs, offer Advanced Placement and Honors classes in all curricular areas, as well as, Linked Learning academies and career technical classes. In addition I encourage you to utilize the supports for success we have available to all students, including tutoring, extended library and computer center hours, credit recovery, college/career counseling services, and personal counseling.

Come to campus on time every day with an open mind ready to work! Tell yourself "I'm not throwing away my shot! I decide who tells my story."

We are going to have at great school year together at Hawthorne, where every Cougar LEAPS at opportunity!

Vanessa Landesfeind, Ed.D.

Principal

Hawthorne High School
