

Circle Champions

Synergy's Circle Champions are volunteer community and business leaders who are committed to Synergy's mission of *eliminating the achievement gap*. Circle Champions each sponsor and promote one of the six Synergy Circles:

The Arts Circle
The College Circle
The Experiential Circle
The Family Circle
The Literacy Circle
The STEM Circle

Synergy's Circle Champions will make an annual "give or get" donation of \$5,000 as seed funding for their Circle. Circle Champions will endorse their Synergy Circle and solicit donations from their personal and professional networks to help the Circle meet its fundraising goals.

While Circle Champions are not required to attend any meetings or participate in any events, Circle Champions can choose to participate further by hosting fundraising events and meeting with Synergy staff to set funding priorities for their Circle.
