Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.
- B) Is the child a student at Madison County Schools?** Mark "Yes" or "No" under the column titled "Student" to tell us which children attend **Madison County Schools**.
- C) Do you have any foster children?** If any children listed are foster children, mark the "Foster Child" box next to the child's name. **Foster children who live with you may count as members of your household and should be listed on your application.** If you are only applying for foster children, after completing STEP 1, skip to STEP 4 of the application and these instructions.
- D) Are any children homeless, migrant, or runaway?** If you believe any child listed in this section may meet this description, please mark the "Homeless, Migrant, Runaway" box next to the child's name and **complete all steps of the application.**

STEP 2: DO ANY HOUSEHOLD MEMBERS (INCLUDING YOU) CURRENTLY PARTICIPATE IN ONE OR MORE OF THE FOLLOWING ASSISTANCE PROGRAMS: SNAP, TANF, OR FDPIR? If anyone in your household participates in the assistance program listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or Alabama SNAP.
- Temporary Assistance for Needy Families (TANF) or Alabama TANF.
- The Food Distribution Program on Indian Reservations (FDPIR)

A). IF NO ONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS: Check 'No' and skip to STEP 3 on these instructions and Step 3 on your application. Leave Step 2 blank.

B). IF ANYONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS: Check 'Yes' and provide a case number for SNAP, TANF, or FDPIR. You only need to write **one** case number. If you participate in one of these programs and do not know your case number, contact: Alabama SNAP. **You must provide a case number on your application if you checked 'Yes'.** Skip to Step 4.

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS.

A). Report all income earned by children. Refer to the chart titled "Sources of Income for Children" in these instructions and report the combined gross income for **ALL** children listed in Step 1 in your household in the box marked "Total Child Income." Only count foster children's income if you are applying for them together with the rest of your household. It is optional for the household to list foster children living with them as part of the household.

WHAT IS CHILD INCOME? Child income is money received from outside your household that is paid **directly** to your children. Many households do not have any child income. Use the chart below to determine if your household has child income to report.

Sources of Income for Children	
Sources of Child Income	Examples
Earnings from work	A child has a job where they earn a salary or wages
Social Security: Disability Payments or Survivor's Benefits	A child is blind or disabled and receives Social Security benefits, or A parent is disabled, retired, or deceased, and their child receives social security benefits.
Income from persons outside the household	A friend or extended family member regularly gives a child spending money.
Income from any other source	A child receives income from a private pension fund, annuity, or trust.

FOR EACH ADULT HOUSEHOLD MEMBER:

Who should I list here?

When filling out this section, please include **all** members in your household who are:

- Living with you and share income and expenses, even if not related and even if they do not receive income of their own.

Do **not** include people who:

- Live with you but are not supported by your household's income and do not contribute income to your household.
- Children and students already listed in Step 1.

How do I fill in the income amount and source?

FOR EACH TYPE OF INCOME:

- Use the charts in this section to determine if your household has income to report.
- Report all amounts in **gross income** ONLY. Report all income in whole dollars. Do not include cents.
 - Gross income is the total income received before taxes or deductions.
 - Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.

- Write a "0" in any field where there is no income to report. Any income field blank, you are certifying (promising) that there is no income to report. If local officials have known or available information that your household income was reported incorrectly, your application will be verified for cause.
- Mark how often each type of income is received using the check boxes to the right of each field.

B) List Adult Household member's name. Print the name of each household member in the boxes marked "Name of Adult Household Members (First and Last)."

Do not list any household members you listed in Step 1. If a child listed in STEP 1 has income, follow the instructions in STEP 3. Part A.

C). Report earnings from work. Refer to the chart titled "Sources of Income for Adults" in these instructions and report all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income.

What if I am self-employed? If you are self-employed, report income from that work as a **net** amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.

D). Report income from Public Assistance/Child Support/Alimony. Refer to the chart titled "Sources of Income for Adults" in these instructions and report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the value of any cash value public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only **court-ordered** payments should be reported here. Informal but regular payments should be reported as "other" income in the next part.

E). Report income from Pensions/Retirement/All other income. Refer to the chart titled "Sources of Income for Adults" in these instructions and report all income that applies in the "Pension/Retirement /All Other Income" field on the application.

Write your current address in the fields provided if this information is available. **If you have no permanent address, this does not make your children ineligible for free or reduced price school meals.** Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

B). Sign and print your name. Print your name in the box "Printed name of adult completing the form." And sign your name in the box "Signature of adult completing the form."

C). Provide the last four digits of your Social Security Number. The household's primary wage earner or another adult household member must enter the last four digits of their Social Security Number in the space provided. **You are eligible to apply for benefits even if you do not have a Social Security Number.** If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no SS#."

D). Write Today's Date. In the space provided, write today's date in the box.

E). Report total household size. Enter the total number of household members in the field "Total Household Members (Children and Adults)." If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household determines you income cutoff for free and reduced price meals.
